Husrannsakan utförs på Zetterlundsslingan 4 i Vallentuna då nycklarna som påträffades på Nivan passar till lägenhetsdörr 1102. En större mängd narkotika samt post tillhörande Nivan anträffas i lägenheten

Ljudklipp: [TURKISKA] MAN : Se här, bror. Blanda inte in min fru. Det är skamligt. Har jag sagt nåt om dig? Du säger till mig ”jag ska ge dig sju tusen, sju tusen”. Att den sträcka jag ska köra är 7-8 timmars väg. Hade du kört om det hade varit du? Säg sanningen för guds skull. Sen säger du att två av dem ska lämnas i Stockholm. Var i Stockholm ska de lämnas? Säg mig först var det här är, sen får vi se hur lång tid det ska ta och tar höjd efter det. Men jag vill också veta vilken tid det ska köras.

Ljudklipp: bror det var om du skulle plocka upp grejer i Sumpan, då skulle du få 2 lax till broder. Du har förstått det helt fel, vi skulle plocka upp i Sumpan och Tumba men Sumpan blev aldrig av, vi plockade bara upp i Tumba, förstår du mig fina broder? Det var bara om vi skulle plocka upp i Sumpan och dom har två påsarna, så du har tre nummer i bilen och dom ska endast till två adresser bror.

Ljudklipp: Bror jag har inte hämtat grejerna, det är så här att jag kommer få åka till Upplands Väsby och hämta alla grejerna för att idioten som ska leverera har fått fel leveransuppgifter och därför kunde dom inte ta ut pallen från deras lager. Så jag kommer få åka till deras huvudkontor och hämta där i Upplands Väsby, jag ska hämta den 12.30 på Saturnus väg 3.

Ljudklipp: [SVENSKA] Men bror, du kommer också vara där säkert, om jag förstått rätt. Vi ses där. Skicka till mig adressen vart jag ska åka. Och sen går jag bara dit. Vi flyttar över allting tillsammans. [TURKISKA] Vi bär in allt tillsammans genast … [SVENSKA] … så att det går fort. Och sen rita som du sa, vid ögat någonting. Eeeh … [TURKISKA] Därefter [SVENSKA] … jag svarar inte honom på ett tag. Jag sätter mig i bilen. Jag åker och lämnar bilen. Sen säger jag bara till han … eller innan jag lämnar bilen säger jag till han att jag har blivit rånad; att de slog mig, att de hotade mig, dittan och dattan … [TURKISKA] … och så vidare … vi ska nog hitta på någonting. Hur som helst, vi pratar sen. [SVENSKA] Men kl. 12.30 ska jag hämta det, om två timmar. Så jag ringer dig så fort jag har hämtat allt.

Ljudklipp: bror, den här vad heter det Audin dök igen någonstans bakom mig. Jag körde in i ett villaområde för jag hade åkt fel väg, sen nu den dök upp igen bakom mig när jag körde in hit och det står att den äger en bilfirma i Täby som äger den bilen. jag börjar på riktigt tro att om det är en "civare" eller inte.

Ljudklipp: : [SVENSKA] Alltså bror, om jag har förstått det rätt … nu han ska komma … bära in allting en och en … Och sen ska han komma med tomma kartonger som vi ska lägga upp på pallen… och sen ska jag åka till adressen. Men säg till honom att ta med sig plastfolie så att man kan plasta runt igen [TURKISKA] … så att de inte ramlar, kartongerna. [SVENSKA] Och sen ska vi gå till adressen där … [säger en bisats som inte går att uppfatta, ö a] … och där ska ni komma bakom mig på nåt sätt och sen hoppa på mig och ta allting som finns i bilen och råna hit och dit. Bror, om det behövs, vid gud, ge mig en box, typ under ögat. Men det ska inte vara så hårt, va? Det ska se verkligt ut. För han sa att jag skulle åka till Farsta och sen ska han ge mig en adress och att en svensk tjej ska möta mig där och hoppa in i bilen. Och sen ska jag tydligen åka med henne tillsammans. Så det bästa vore om rånet blir när även hon sitter i bilen också.

Ljudklipp: [SVENSKA] Han kommer ändå … han kommer ändå höra av sig typ imorgon och säga ” kan du köra”. Han har ändå ingen som kan köra. Vem ska köra åt han? Snälla! [TURKISKA] Bror, kan du kolla med de dina? Har du nåt jobb till mig, bror? [SVENSKA] När han håller på så här, jag pallar inte med honom alltså. På riktigt. Hade det inte varit för din skull, bror, hade jag sagt till honom ”håll käften” för länge sen.

Kartbilder

De geografiska uppkopplingar som framgår i rörelseanalysen, från historiska telefontrafikdata (HÖK), har lagts in i analysprogrammet GeoTime i vilket kartbilder skapats som visar när samt vart uppkopplingarna ägt rum.

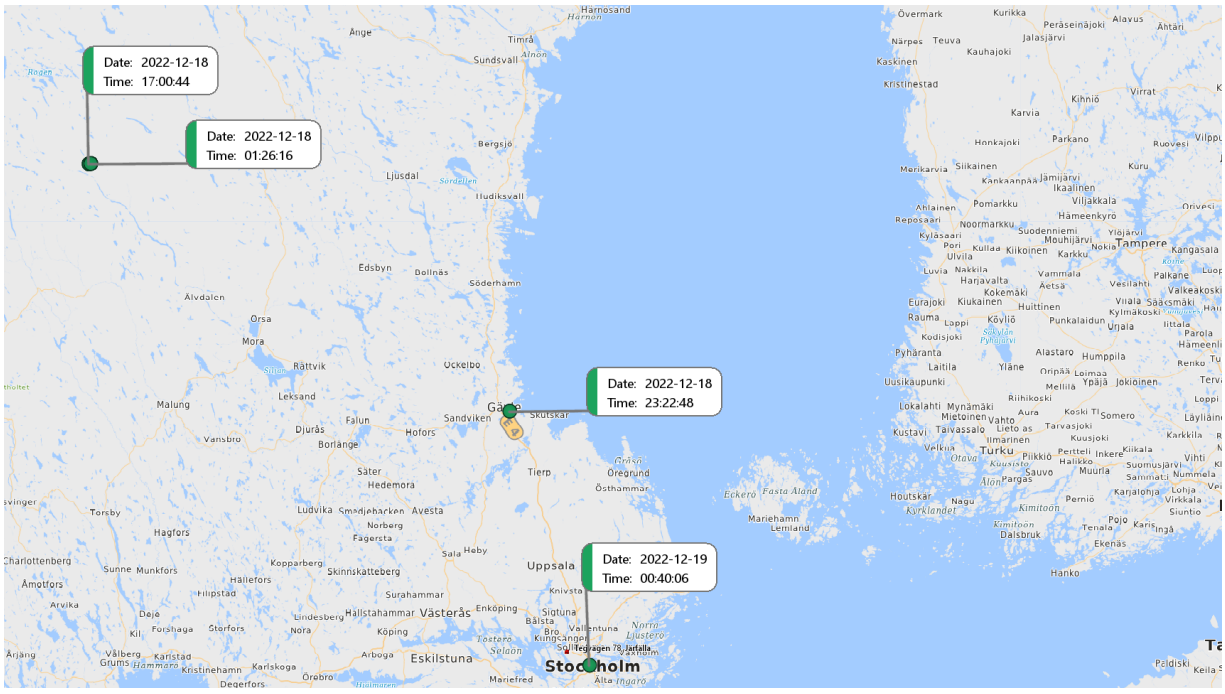

- Positionen för den mast som telefonnummer 46709659330 kopplat upp mot förevisas med gröna prickar, och i vilken riktning som telefonnummer 46709659330 har befunnit sig i förhållande till aktuell mast förevisas med en grön trekant. Trekanten visar inte det exakta täckningsområdet utan enbart riktningen.

Omständigheter

Bakgrund

2023.01.23 tar Tullverket en försändelse innehållandes ca 60 kilo misstänkt cannabis i beslag i FedEx lokaler på Saturnusvägen 3 i Upplands Väsby. Åklagare kontaktas och beslut fattas om att byta ut narkotikan mot annat material samtidigt som en spaningsinsats startas av Tullverket.

Ismail Tuncer hämtar ut den utbytta försändelsen 2023.01.25 i en vit skåpbil med registreringsnummer OKA63D. Två stopp görs under färden, vid Cirkle K Upplands Väsby och Cirkle K Vallentuna, och sedan kör Ismail skåpbilen till Zetterlunds väg 136 där Nivan Quoreshi möts upp. Både Nivan och Ismail grips av Tullverket och Polisen när 1 kartong lastats ur ut skåpbilen och Nivan går i riktning mot Zetterlundsslingan.

Husrannsakan utförs på Zetterlundsslingan 4 i Vallentuna då nycklarna som påträffades på Nivan passar till lägenhetsdörr 1102. En större mängd narkotika samt post tillhörande Nivan anträffas i lägenheten.

Vid gripandet av Nivan Quoreshi tas en blå iPhone i beslag från hans högra byxficka.

La ut innan när jag träffade Rävens högra hand. Träffade han igen och förklarade att jag var orolig för min säkerhet och behöver en hideout där ingen kan röra mig.
Vad jag förväntade mig: En stuga ute i skogen med el o värme
Vad fick jag?

Ja, jag kommer fortfarande flytta till Vallentuna förresten. Det här e from time to time

Allting som finns på din telefon lagras i detta chip som är en hårdvara på telefonen. Så fort detta chip misstänker att någon försöker ta sig in på din telefon så raderas all data omedelbart. Chipet är så avancerat att det även känner av temperatur skillnader och agera utifrån vad den anser är en riskabel situation. Telefonen kan alltså rensa sig själv om den misstänker en attack. Detta är optimalt för polisens standard ”Brute Force” attacker (hack metod) vilket innebär att de skickar in olika programvaror och virus för att försöka ta sig in i telefonen. Så fort Titan M chippet känner av detta så raderas allt.	App Message	Telegram	2022-10-18	2022-10-18 21:46:02(UTC+0)

I straffskalan är 200 tabletter E samma som 1hg ladd men jag köper det. Vi kan säga 1k per 500. Dock står jag fast vid att MDMA borde vara 1k per HG. Det är kristaller dvs renaste formen vilket också har stor betydelse för straffet. Ni köper in betydligt mycket billigare än ladd och om ni skickar för 800kr gör ni ish 390k+ över några månader. För dessa månader betalar ni endast 5k för förvaring.	App Message	Telegram	2023-01-13	2023-01-13 18:54:43(UTC+0)

Alright alright, so first shipment, we can go with 1,1 pound so 500g. He can send me half purple if he recommends it and half of something unique that would be easy to market here. I've been selling tons of white widow here and ppl eat that shit up even though I never heard much about it so anything better than that is interesting. When it comes to shipping, we'll discuss that together. I'll talk to my people and he can talk to his. I see he's a top connect so he probably knows his ways around. Please tell him to let me know his recommendations and we'll do a test run accordingly. After all, all talk is pointless unless the test doesn't go through so let's focus on shipping

Yo Niv! I'm sorry bro here's the scoop, package was sent weeks ago. My girl shipped it I made it look proper. Everything was packaged and labeled with an ounce of hash thrown in. she just had to go in and deliver it and get the tracking number.
I lost both my cell phones. 2 laptops of the three. One I wasn't even using for fraud. Around Mother's Day someone was in my girls ex guys place with a gun with intent. And I guess sometime between him bringing the kids down to the car when they left and him coming back up the elevator. The gun misfired like only some fucking itchy triggered little stunned fuck retard would do.
The escape that played out afterwards allowed them to warrant a cell phone dump for the area at that time. They traced back a Romeo guys cellphone to my place. And that some how how resulted in me being under some serious persecutions.
They took my phones which I wiped. Had already moved everything out for the most part by then. Still ended up wiping my laptops later just from being worried about it.
Brought me in forced me to stay for 48 fucking hours. Then released me but surveilled everything I fucking did had to break all contact with my girl and hide the fuck out. Only person I've been in contact with is neighbor and he told me some guys were in the driveway at home talking about Sweden so I figured you didn't get it yet and we're looking.
So Jay hasn't been at my place for like 2 months now. Back home with his mom.
There's not even hydro power on at my house right now because I'm staying in other spots and going there in the middle of the night trying to peace shit back together. So I call jay and tell him that I need your number. And he tells me you are gonna Molotov cocktail my house and I'm like thanks for trying to reach out when you heard that you fucking lunatic.
Anyways, that's where I stand right now bro.
Clearly it wasn't me in the apartment or anything to do with it. I never even met the guy before and had no reason to be associated with any of that. But it was close niv. It literally fucked me beyond belief. I'm starting to get back up though. And they have moved on to other actual Hamilton crimes that were more then just hearsay and a phone trace.
I wiped everything though. And my girl had a lot of shit and I was trying to get her to keep things rolling for me. But It got to heated and she wiped my laptops and that was zerodark after that. everything went dead.
I'm sorry bro. I know you wanted to build trust with that guy again. And I know I made you look horrible. But it was to close man. I had to disappear. Original cell phone wipes were instant didn't even think. . Took me a while after that to get the shit sent out to you too. I Had to get her to do it because they were fucking watching me. Fuckers.
I don't even have the words man I know I let you down.. But it's on its way to you. To that address. Signed sealed.

I'm gonna be honest unlike Keith was with you lol but yeah kinda cause im still taking my risk cause buddy wants me to meet up with him now he's not gonna mail it to me and then I gotta drive back with it and then either ship it under my name or get a profile to send it under. So I mean if waited till a package made it there id be not only risking money but also getting booked with it on this end. That's what I'm saying like I'll do what's ever instructions you give regarding the mailing it and packaging it etc that's cool I'm just getting paid for the connection and mailing that why I was saying Idc what you make on your on but let's say for conversation we gotta do this three times or w.e before we figure out how to get it there. Hopefully that's not the case but id be risking my ass everytime for free. Other then money until a package makes it there there's no risk on you guys in regards to getting busted feel me

I could say idk and it's two extremely main stream strains that I'm sure many breeders got there own spin-off of but anything haze is generally sativa. I just know about lsd because I've grown in myself I think it's indica dominant but I just remembered it for extremely high THC levels

No stress, let the man know that his guaranteed shipping is unnecessarily expensive HOWEVER, it would be in his best interest to get us in on his shipping methods. If the shipping is successful, we can buy more. If the shipping fails, he loses customers. We'll handle logistics so he doesn't have to worry about that anyway.

Flertal meddelanden under de tidsperioder som presenteras har sorterats bort – detta gäller både de meddelanden som presenteras i sammanfattad form och i chatt-format. Önskas chatten läsas i sin helhet går den att finna i ”TV213-BP2023-528-2R.1 – Analys av spegling, ***BILAGA E***”

Planeringen av ovan nämnda försändelse kunde även återfinnas i en Telegramchatt med en motpart benämnd som **”Gamo”**, där främst kryptobetalningen och mottagaradressen av försändelsen är det som diskuteras.

De två chattar som presenteras i följande promemoria har följande nummer i Telegram registrerade:

I aktuell promemoria presenteras *utdrag* från ovan nämnda chattar. 2022-07-18	02:22:19	Utgående	Alright alright, so first shipment, we can go with 1,1 pound so 500g. He can send me half purple if he recommends it and half of something unique that would be easy to market here. I've been selling tons of white widow here and ppl eat that shit up even though I never heard much about it so anything better than that is interesting. When it comes to shipping, we'll discuss that together. I'll talk to my people and he can talk to his. I see he's a top connect so he probably knows his ways around. Please tell him to let me know his recommendations and we'll do a test run accordingly. After all, all talk is pointless unless the test doesn't go through so let's focus on shipping	**Telefonspegling:** TV213-BP2023-528-2R.1 **Telegramchatt:** Suomynona Evili

Följande promemoria visar utdrag av frekventa uppkopplingar mot basstationer för teleadress +46735000206, knuten till Nivan Quoreshi[1], från historiska telefontrafikdata (HÖK) - samt relevanta uppkopplingar inhämtade från Mobilt Bank-ID[2].

Kartbilder

De geografiska uppkopplingar som framgår i tidslinjerna har lagts in i analysprogrammet GeoTime i vilket kartbilder skapats som visar när samt vart uppkopplingarna ägt rum.

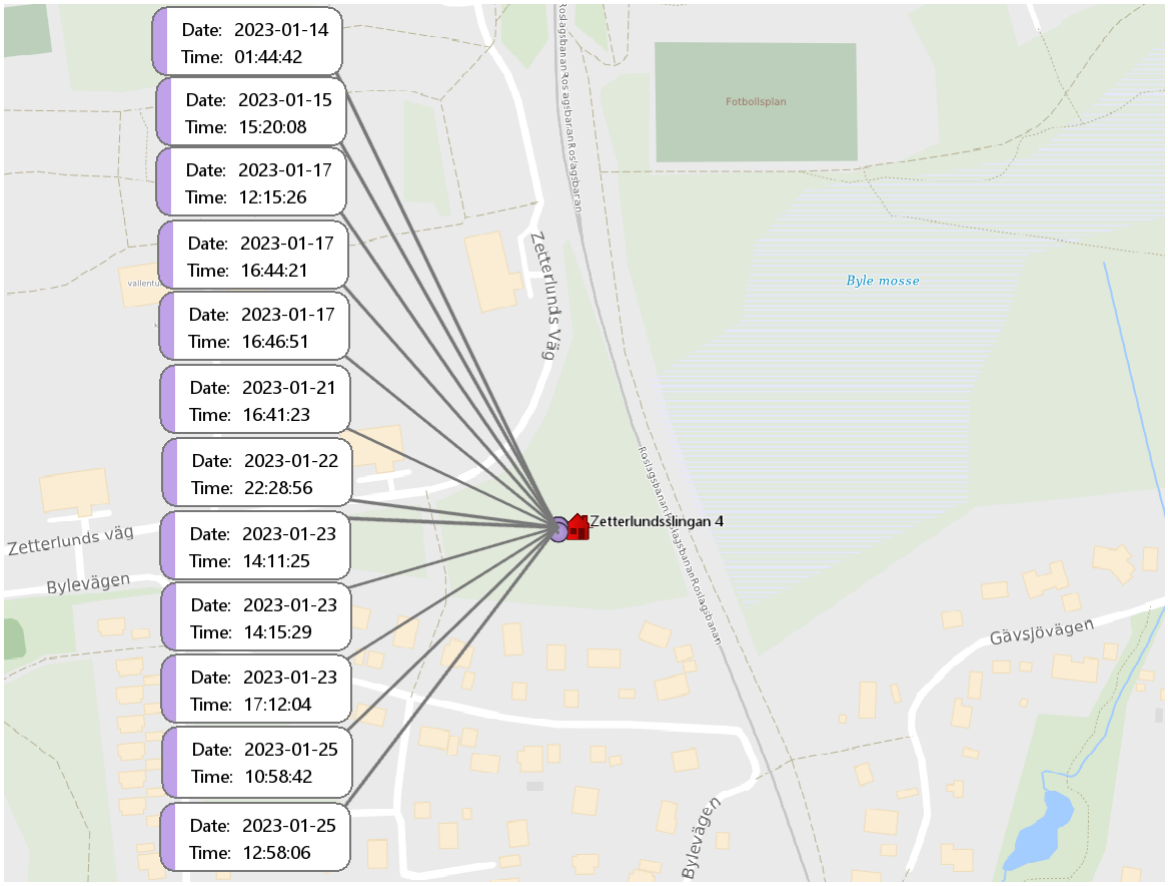

- Positionen för den mast som telefonnummer 46735000206 kopplat upp mot förevisas med blåa prickar, och i vilken riktning som telefonnummer 46735000206 har befunnit sig i förhållande till aktuell mast förevisas med en blå trekant. Trekanten visar inte det exakta täckningsområdet utan enbart riktningen.
- Positioner som inhämtats från Mobil Bank-ID gentemot personnummer 20010427-8999 förevisas med lila prickar. Mobilt Bank-ID visar uppkopplingar gentemot mer specifika koordinater, men där precisionen kan variera.

Den ***mest*** frekventa basstationen, *med 132 uppkopplingar under perioden 2022.12.17 – 2023.01.25*, är: SN2079B5 Bällstabergsvägen 170° i riktning mot Zetterlundsslingan, Vallentuna. Två ytterligare basstationer visar likväl frekventa uppkopplingar i riktning mot Zetterlundsslingan under närliggande period. Se nedan:

Nedan kartbild visar de tillfällen där Mobilt Bank-ID använts vid Zetterlundsslingan 4.

Den ***näst mest*** frekvent basstationen som telefonnummer 46735000206 kopplat upp gentemot, *med 52 uppkopplingar under perioden 2022.12.07 – 2022.12.17*, är: SW6103CF8 Värmevägen 3 350° i riktning mot Tömvägen 9 i Järfälla[3].

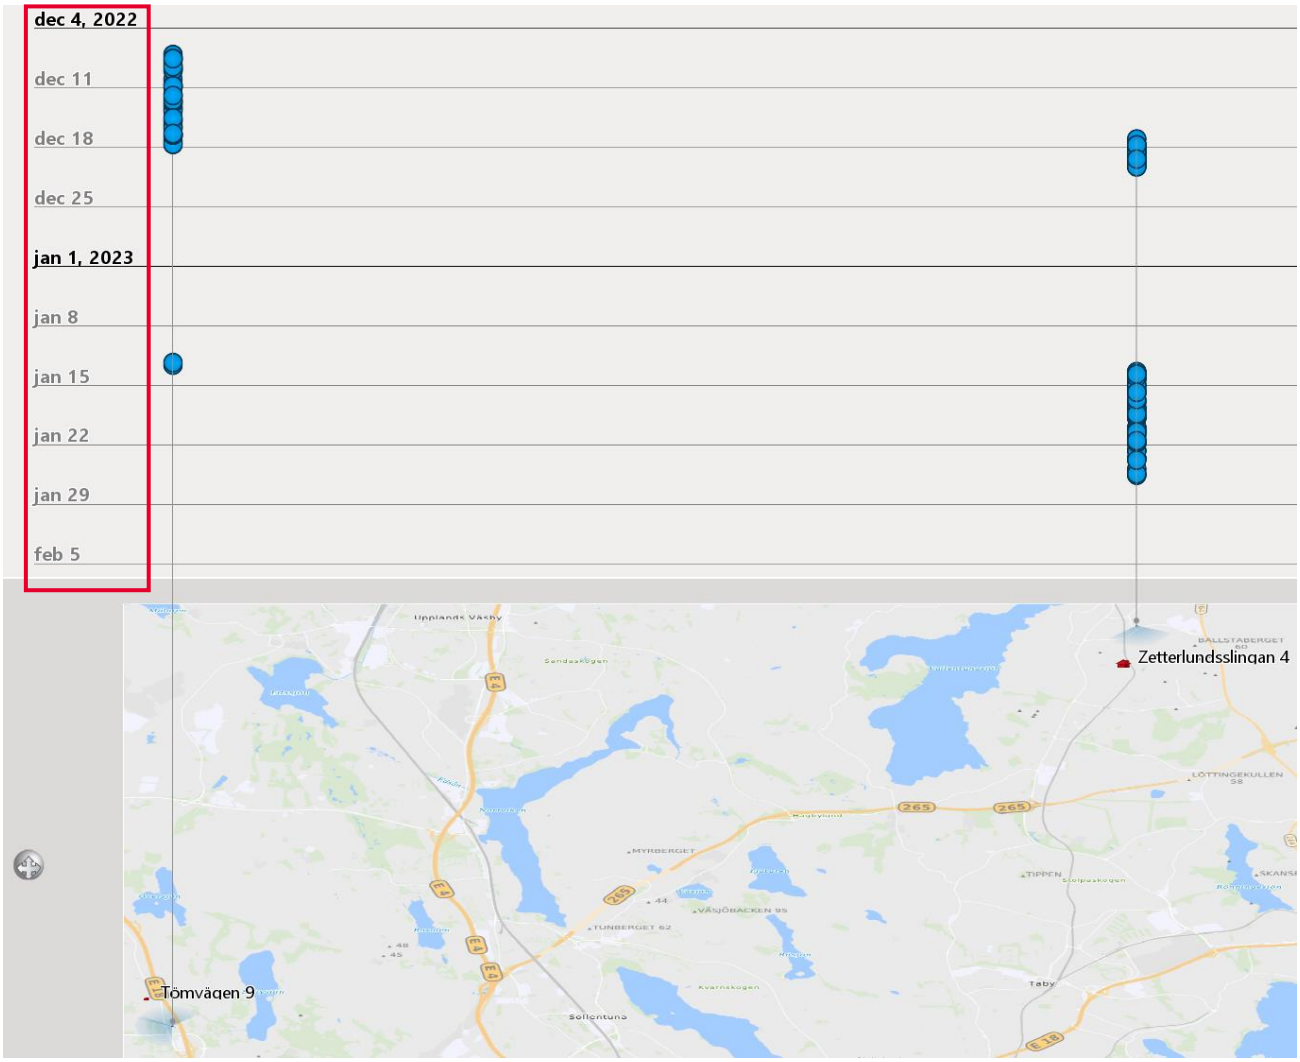

Nedan kartbild visar de tillfällen där Mobilt Bank-ID använts vid, och i närheten av, Tömvägen 9 i Järfälla.

[3] Nivan Quoreshi's föräldrars nuvarande adress, och Nivans folkbokföringsadress t.o.m. 2022.08.02.

Nedan kartbild visar på skiftet i frekvensen av uppkopplingar mot tidigare presenterad basstation i närheten av Tömvägen 9 i Järfälla *till* basstation i närheten av Zetterlundsslingan i Vallentuna. Det har tidigare framkommit att Quoreshi fått flytt-/bärhjälp till nya lägenheten vid Zetterlundsslingan 2022.12.17[4], och enligt tillgängligt material framkommer det att skiftet av uppkopplingar även sker vid detta datum. Nedan kartbild kan därför antas stärka tidigare uppgifter om flytt till Zetterlundsslingan i mitten av december 2022.

Jämförelser positioneringar

Objekt

Namn	Personnr/födelsedatum
Sofia Tuncer, Ismail Tuncer	
Brott	

Omständigheter

Följande promemoria visar jämförande positioneringar mellan Ismail Tuncers och Sofia Tuncers enheter. Chatt-meddelanden som visas i promemorian kommer från en Signal chatt mellan Ismail och ”DR” där adresser skickas till Ismail för olika körningar.

Jämförelserna har utförts mellan:

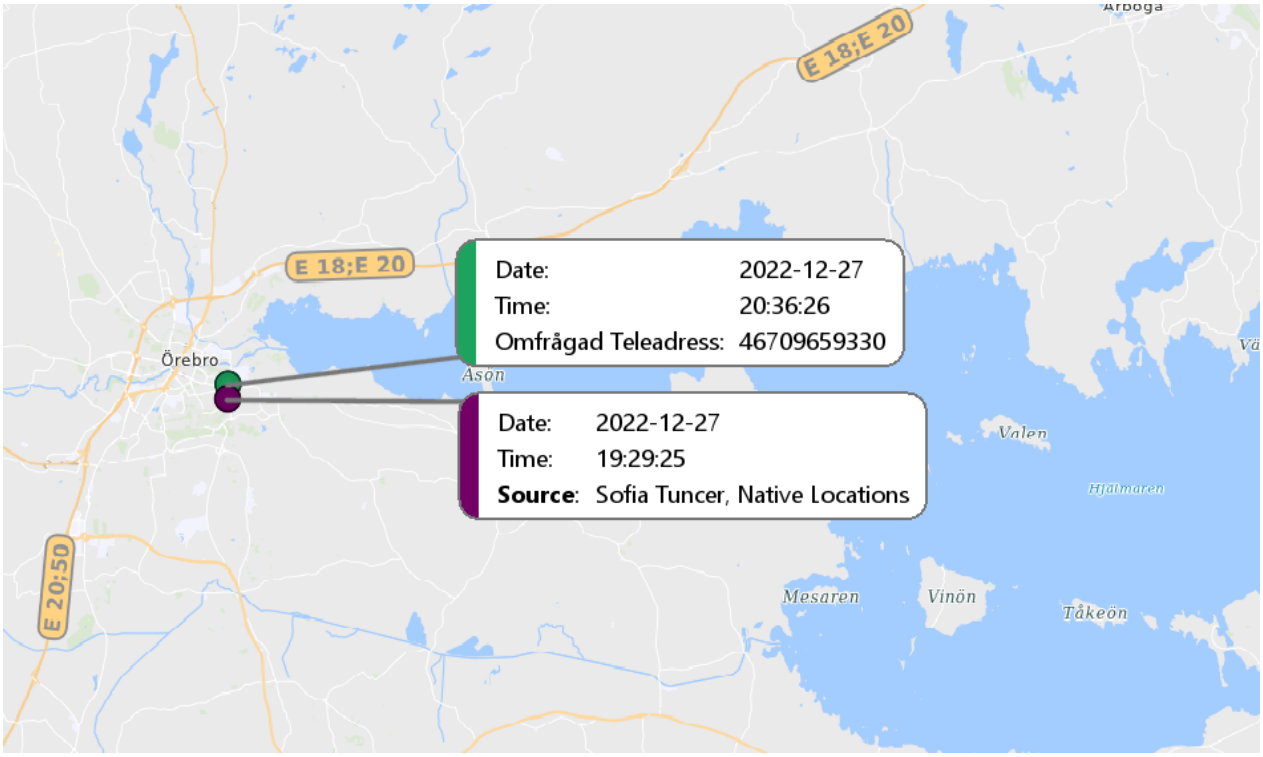

Telefonnummer	Positionsdata inhämtat från	Kommentar
+46702277414	Spegling av beslagtagen telefon TV213-BP2023-533-2O-4. Positioneringsdata från *Native Locations* från enheten.	UTC+0 Här ska alltid svensk sommar- eller vintertid tillföras på tidsangivelserna. +1 h vid vintertid i detta fall.
+46709659330	Hemliga tvångsmedel (HÖK) har inhämtats på telefonnumret. Positionsdata från mastuppkopplingar.	UTC+1

Metod

De geografiska uppkopplingar som framgår har lagts in i analysprogrammet GeoTime i vilket de kartbilder som återfinns i promemorian har skapats. Kartbilderna ska läsas enligt följande:

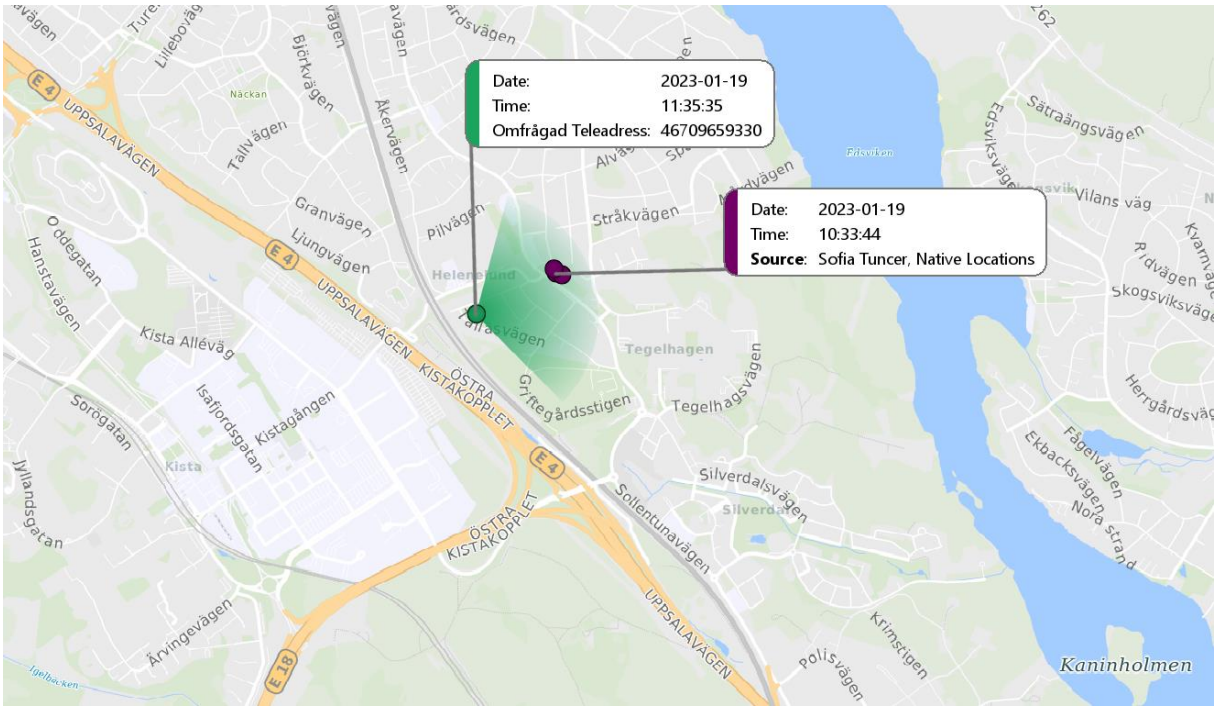

- Positionen för den mast som telefonnummer 46709659330 kopplat upp mot förevisas med **gröna** prickar, och i vilken riktning som telefonnummer 46709659330 har befunnit sig i förhållande till aktuell mast förevisas med en grön trekant. Trekanten visar inte det exakta täckningsområdet utan enbart riktningen.
- Positioner som inhämtats från telefonspeglingen av den enhet där 46702277414 använts förevisas med **lila** prickar. Enhetens positioneringar, eller ”Native locations” som de anges som, refererar till positioneringar som enheten avgett då diverse applikationer använts. *Enskilda* positioner i denna data kan inte verifieras varpå de enbart bör ses som en indikation.

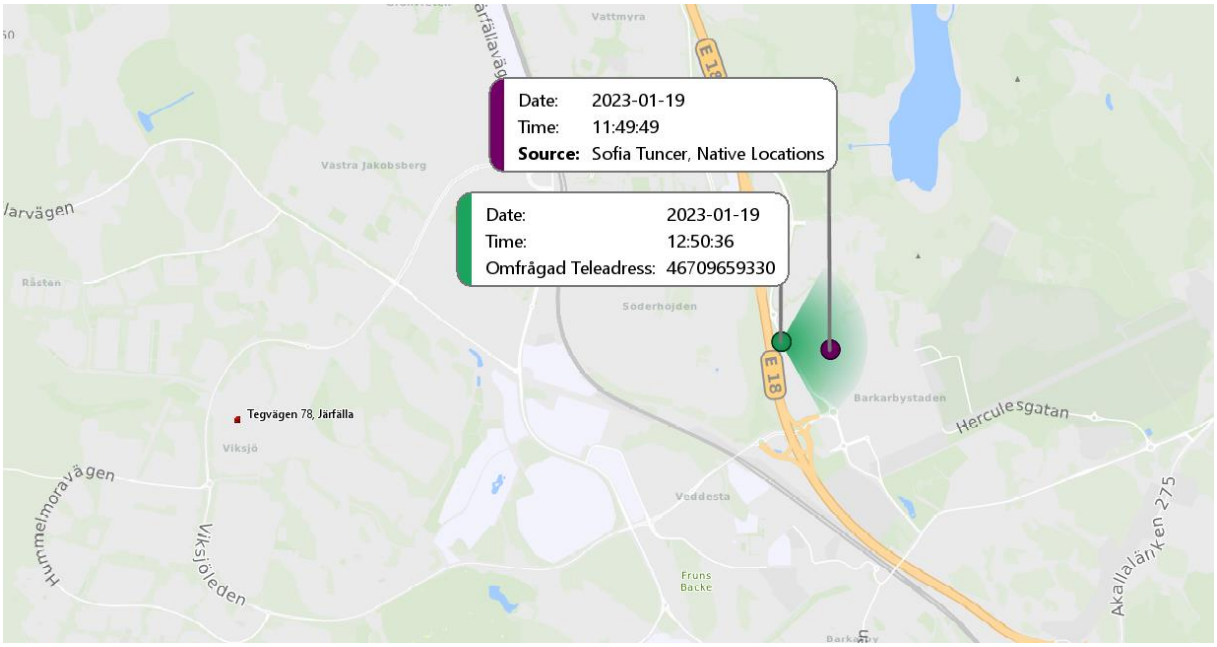

I förhör uppger Sofia Tuncer att hon ska ha åkt med Ismail på en körning till Örebro där han ska ha lämnat över en kasse till någon och sen åkt därifrån. Detta ska ha skett i december eller januari. Nedan kartbild visar på uppkopplingar av båda parter 2022.12.27:

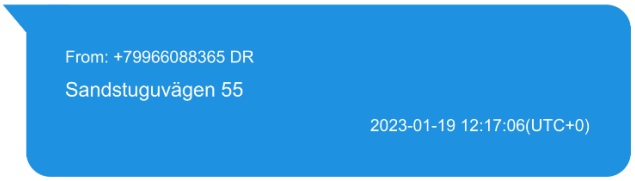

Under datumet 2023.01.19 finns det flertal uppkopplingar av både Ismail och Sofia Tuncer där enheterna kopplar upp i närheten av varandra. I en chatt med motparten ”DR” skickas kontinuerligt adresser till Ismail som han tillsynes ska göra körningar till under dagen. Nedan kartbilder visar uppkopplingar i relation till de adresser som skickats till Ismail.
