## Exempel på konversationer med kunder

I samband med husrannsakan den 24 maj 2021 på massagesalongen Andaman Thai Wellness togs en telefon i beslag, 2021-5000-BG64481-20. Telefonen togs från den misstänkta Namso Nongnuch då hon höll den i handen.

I telefonen fanns två SIM-kort med två olika telefonnummer. I de fall som det i konversationerna nedan står angivet ”SIM2” sker kommunikationen med telefonnumret kopplat till annonserna på Real Escort, 073-9085295. I de fall där det står ”SIM1” sker kommunikation med telefonnummer 072-1786077 som är salongens nummer, se separat PM.

På bilderna i aktuellt PM syns den beslagtagna telefonens skärm. Konversationerna som presenteras har fotograferats av. De telefonnummer som skriver de *inkommande* meddelandena har maskats. De inkommande meddelandena syns i de ljusgrå rutorna på vänster sida i konversationerna. De *utgående* meddelandena skrivs från den beslagtagna telefonen och de syns i de gröna rutorna på höger sida i bilderna. Observera att konversationerna kan vara längre än de meddelanden som presenteras. Urval har gjorts utifrån relevans för ärendet. Alla konversationer som urvalet gjorts ifrån kan förevisas i sin helhet vid behov.

Syftet med PM är att visa att den som svarar på meddelandena känner till att kunder efterfrågar sexuella tjänster men undviker att avfärda detta. Svar på vilka tjänster som erbjuds av salongen hänvisas genom meddelandena till samtal då kunden ankommer till salongen. Vidare visas exempel på konversationer där den som skriver från den beslagtagna telefonen ibland är snäsig och har en otrevlig ton. Meddelandena visar också att den som skriver förmedlar kunder till anställda och att tjänster erbjuds både i Falun och i Borlänge.

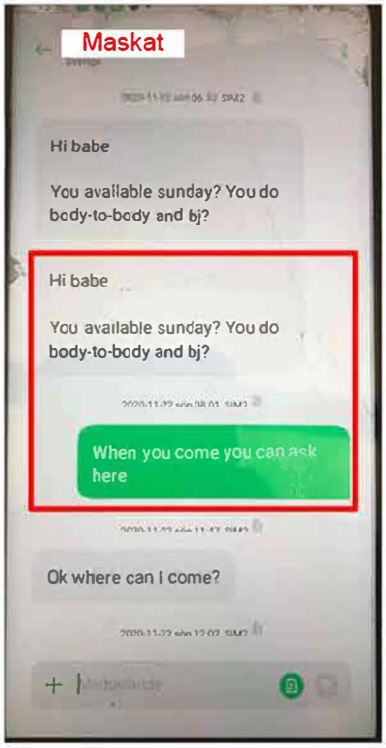

Observera att för varje datum nedan konverseras det med ett unikt telefonnummer dvs. olika kunder för olika datum. Detta gäller dock inte för den 4 december då tre olika konversationer som är av intresse finns med tre olika kunder. Dessa har då benämnts som kund A, B och C.

De röda rutorna har infogats för att belysa vissa meddelanden extra mycket.

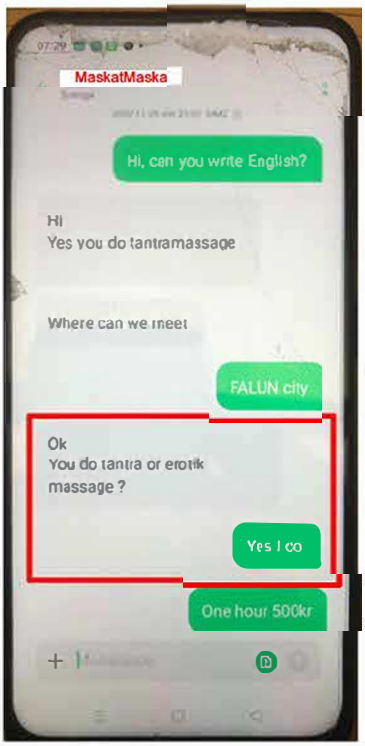

## Del 1

***Spörsmål om sexuella tjänster besvaras oftast inte via SMS, även om det dock händer. Kunder hänvisas att ställa dessa frågor vid massagetillfället.***

## Filmer

I beslaget säkrades 10 stycken filmer som spelats in med en övervakningskamera. Kameran är, enligt tidsstämpeln, en D-link DCS-6000LH. Det är okänt för undertecknad var övervakningskameran har suttit. Filmerna har tidsstämplar från 2020-01-03 till och med 2020-03-07. I en av filmerna, 2020-02-28 kl 11:39, står en man i entrén och pratar med en kvinna. Mannen säger att han vill ha 30 minuters massage. Kvinnan frågar ”only massage?” och mannen svarar ”and” och gör en ”runkrörelse” med handen och kvinnan säger ”ok”. Kvinnan säger 600 kr, men mannen säger att han bara har 500 kr och kvinnan accepterar det.

I flera av filmerna förekom vittnet Thurian Sörensen samt okända kvinnor:

# Beslag 2021-2000-BG64481-20, mobiltelefon, Namso

Oppo F11 Pro
Modell: CPH1969
IMEI1: 860994044868894
IMEI2: 860994044868886

I mobiltelefonen fanns möjligheten att använda dubbla SIM-kort:
SIM 1: 50027028102964(Telenor), 072-1786077 (salongen)
SIM 2: 89462048009087657095(Comviq), 073-9085295 (RealEscort)

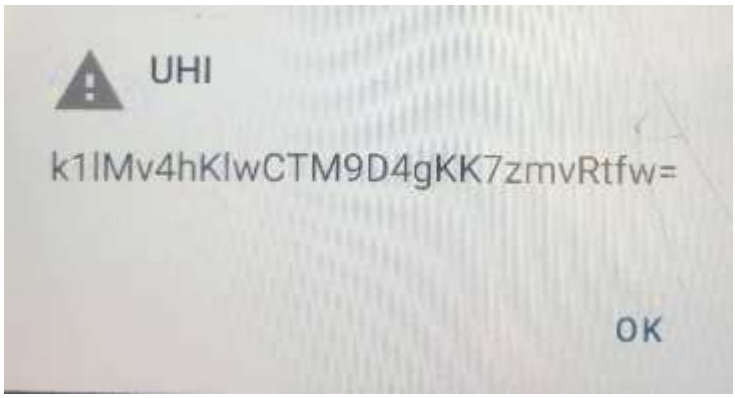

**Bild på mobiltelefonens SIM-kort.**

Mobiltelefonen har ”tömts” med hjälp av polisens analysprogram. En manuell undersökning av beslaget har gjorts av undertecknad då programmet inte kunnat få ut all relevant information. Mycket av kommunikationen, till exempel sms och meddelanden i Messenger, har fotograferats av undertecknad. Beslaget har under hela undersökningsprocessen befunnit sig i så kallat flygplansläge, det vill säga, ingen ny information har inkommit till beslaget från beslagstidpunkten.

## BankID

På beslaget fanns ett BankID installerat. BankID skapades 2020-08-19 och är giltigt till och med 2023-08-19. BankID är utställt på Namso Nongnuch. Installationen har följande UHI-kod:

## Konversationer

I beslaget säkrades bilder på konversationer från olika appar, bland annat Facebook Messenger, Line och sms.

### Line

I beslaget anträffades inte applikationen Line. I beslaget 2021-5000-BG64481-13, tillhörande målsäganden, anträffades Line och konversation mellan henne och misstänkt. Vidare har det även anträffats skärmklipp från Line i det undersökta beslaget, vilket troligtvis kommer från beslaget 2021-5000-BG64481-14, som misstänkt inte vill/kan ge telefonlåskoden till.

**Bild från beslaget 2021-5000-BG64481-20**

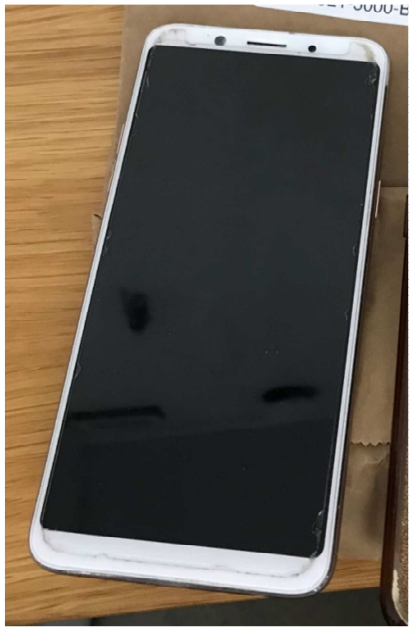

**Bild på beslaget 2021-5000-BG64481-14**

Namsos Line-konto är knutet till mobiltelefonnumret 072-8774271, vilket är Namsos mobiltelefonnummer. Användarnamn och LineID är babe_lovess och bee123b.

### Facebook Messenger

I beslaget säkrades konversationer som bedömdes vara relevanta för ärendet, bland annat konversation med lägenhetsuthyraren på Bondegatan samt Namsos revisor. Se bilaga Konversation med Angel samt Konversation med Ronnie.

I beslaget säkrades konversationer med John. I en av konversationerna skriver man om en kamera samt inloggningsuppgifter till en webbsida. Resterande konversation redovisas separat i bilagan - Konversation med John.

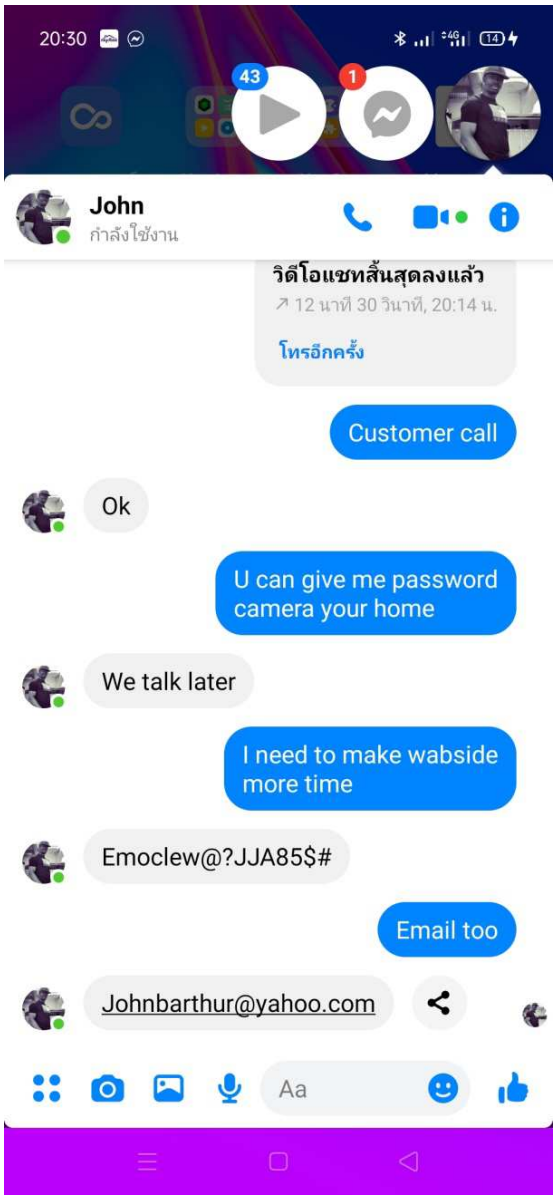

**Bild från beslaget 2021-5000-BG64481-20**

## E-post

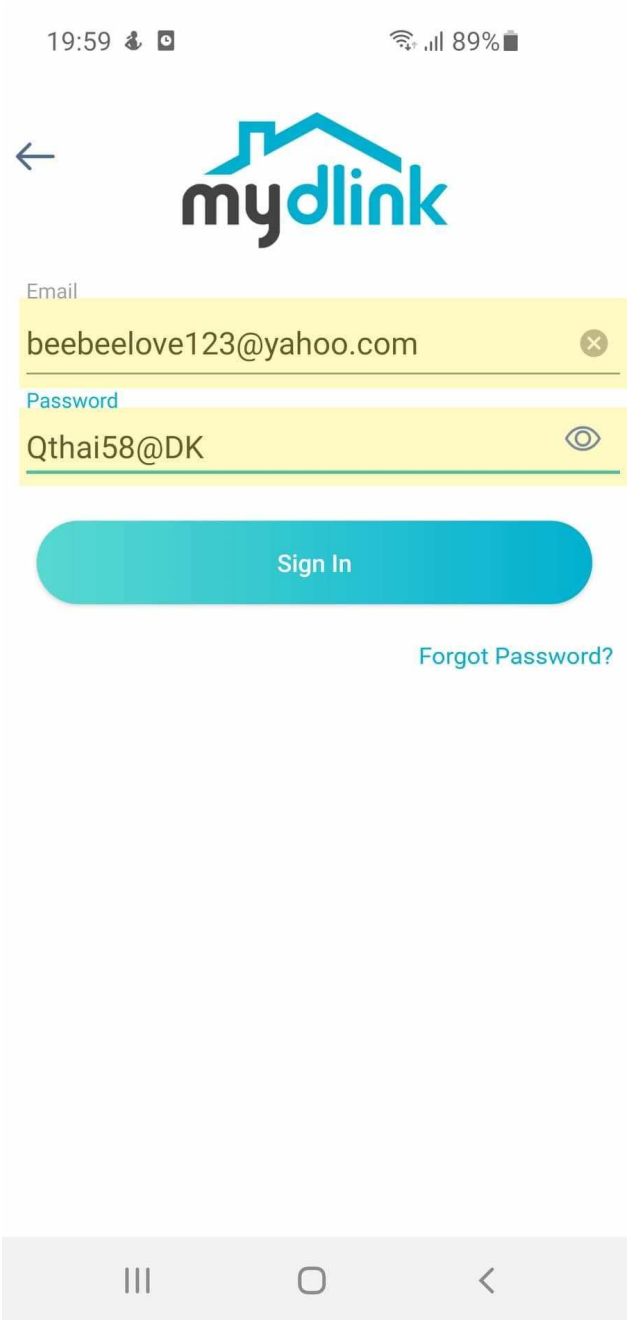

I enheten fanns två stycken e-postapplikationer installerade, Gmail samt Yahoo. Till Gmail var e-postadressen namsonngnus@gmail.com knuten. Inga relevanta e-postmeddelanden säkrades. Det fanns även ett till e-postkonto som var knutet till Yahoo och e-postadressen Beebeelove@yahoo.com. Yahoo kräver att mobiltelefonen är uppkopplad mot telefonnätet eller ett wifi för att komma åt meddelanden, därför har inte e-postmeddelanden varit möjliga att undersöka.

## SMS

I mobiltelefonen fanns en stor mängd med sms-konversationer vilka bedömdes vara relevanta för ärendet. Dessa konversationer har fotograferats av. Det är viktigt att observera att mobiltelefonen haft två stycken SIM-kort och att de bilder som redovisas kan innehålla sms-konversation till två olika mobiltelefonnummer. Se pm - SMS-konversationer med kunder till salongen.

## Övervakningskamera

I beslaget fanns en applikation vid namn ”mydlink” som skulle kunna härröra till en övervakningskamera. Av filnamnet att döma, är det troligt att bilden har mottagits. Det anträffades även ett par bilder på inloggningsuppgifter till ovan nämnda applikation:

**Received_135329101567659.jpeg**

I beslaget fanns även ett antal bilder från en övervakningskamera i salongen på Nybrogatan. Kameran är av märket D-link och modellen DCS-8000LH. Kamerans datum- och tidsinställningar har inte varit möjliga att verifiera.

**Bild från beslag 2021-5000-BG64481-20. Personens ansikte har maskerats av polisen.**

**Bild från beslag 2021-5000-BG64481-20. Personens ansikte har maskerats av polisen.**

**Bild från beslag 2021-5000-BG64481-20. Det förefaller vara målsäganden som man ser på bilden.**

Vid husrannsakan i salongen på Nybrogatan fanns en övervakningskamera uppsatt på väggen bakom disken. Kameran var inte strömsatt vid husrannsakanstillfället. Kameran har samma utseende som en D-link DCS-8000LH:

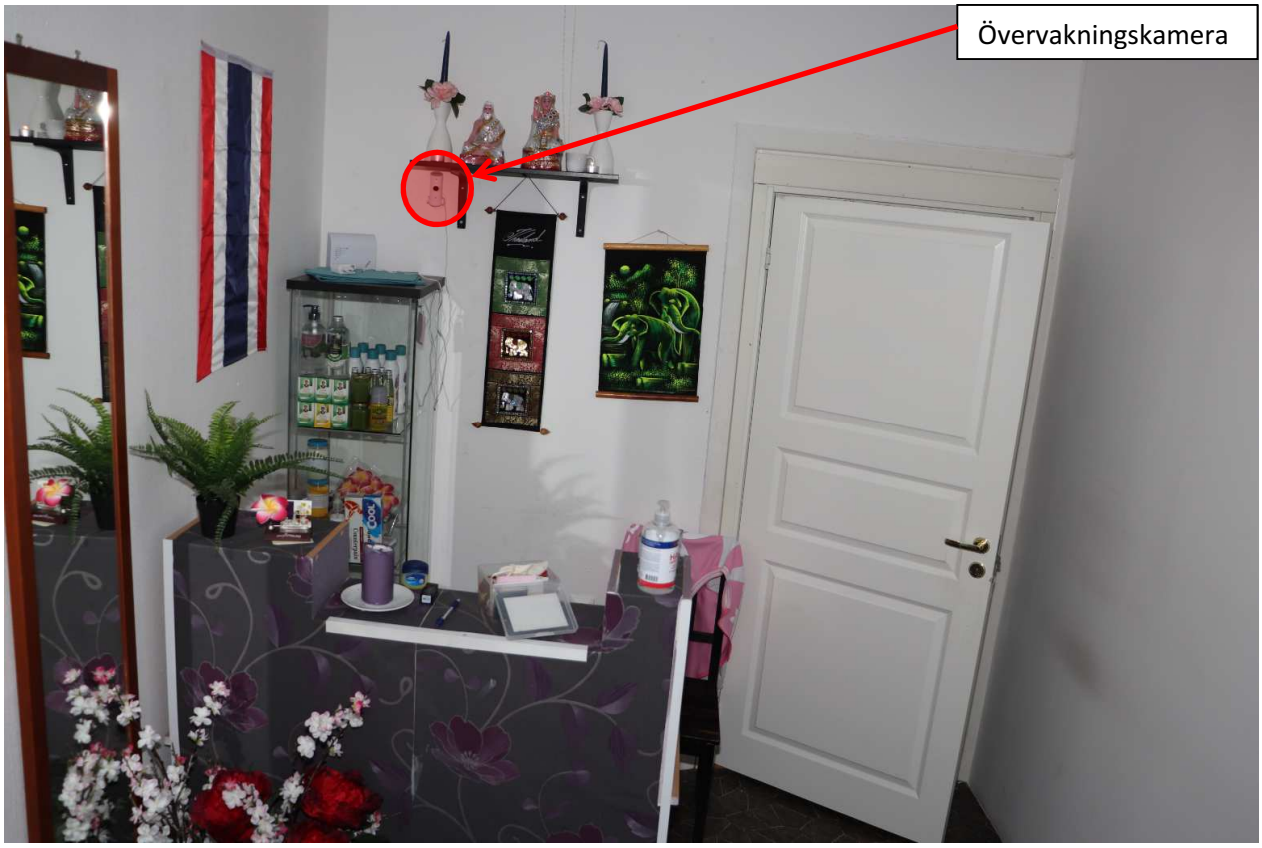

**Bild från husrannsakan 2021-05-24, bilden är tagen från entrén.**

If you mean I should pass it on to B urgently then maybe Anders can print it out and send to B instead. Because if I send it, it will take at least 3 days before the letter get to that address and it might more days for them to screen the letter before they give it to B.
So I think it's better if Anders can print out and send it. Anders is closer to that place.

I would like to leave a letter to B (Ms. Nongnuch Namso)
Nuch about the massage license at the Thai Embassy in Sweden Call me and let me know and contact your school. I am currently dealing with your school. It is a Thai traditional medical school in Udon Thani. The school informed that it had previously opened a massage teaching branch in Pattaya. But the main branch is located in Udon Thani.
The school has searched for the same information you attended and notified me as follows.
1 You study Thai massage for health course 400 hours.
2. You study foot massage for health for 60 hours.
3. You study aromatherapy massage (spa) for 150 hours.
The school informed me that you studied in 2014(2014), do you remember? When you came back from Sweden, when you arrived in Thailand, you went to study in Pattaya, after finishing the course, you went back to Sweden and at that time you still didn't receive your study documents.
Last year, you came back to Thailand in February. (at that time I was sick) Then you contacted the school and you took an additional 150 hour Thai massage for health course and at that time you applied for a massage license. But you don't wait for the documents because you rush back to Sweden.
I have contacted you to obtain a massage license for you. It appears that the staff of Udon Thani Thai Traditional Medical School received documents from you Forgot to send you the application form. He has now searched for the same documents you applied for and has applied for a massage license for you. This is the cause of the delay.
You don't have to worry or stress. As soon as I have all the documents, I will send an email to Anders.
May you be strong with your problems. Our family cares about you and understands what is happening to you right now. everything must go well

from Tam

# Förslag till beslut om föreläggande vid vite angående handtvätt

Det här är ett förslag till beslut. Ni har möjlighet att skicka in synpunkter till oss om ni inte håller med om vår bedömning eller om ni har något annat att framföra, till exempel om ni:

- upplever att något i beslutet behöver förtydligas
- har ytterligare information som vi behöver för vår bedömning
- har andra synpunkter på det som står i beslutet.

Skicka eventuella synpunkter till oss senast **14 september 2020**. Oavsett om ni skickar in synpunkter eller inte kommer vi fatta ett beslut. Beslutet kan skrivas på annat sätt än vad som framgår av detta förslag.

## Föreläggande vid vite angående handtvätt

Namso Nongnuch (840209-4240) föreläggs i egenskap av verksamhetsutövare av Andaman thai Wellness & Spa på Amiralsgatan 66 att, senast **12 veckor** efter att ni tagit emot detta beslut:

1. Installera ett handtvättfat som har rinnande kallt och varmt vatten, flytande tvål och pappershanddukar samt är lättillgängligt för anställda. Åtgärderna och redovisningen ska göras av sakkunnig person.

Vite på **30 000 kronor** ska betalas om beslutet inte uppfyllts i sin helhet inom utsatt tid. Därefter ska samma belopp betalas för varje ytterligare period om 4 veckor som beslutet i sin helhet inte uppfyllts i sin helhet Lagstöd: se avsnitt om gällande bestämmelser.

### Bakgrund

Den 2 juni 2020 utförde miljöförvaltningen ett inspektionsbesök på Andaman thai wellness & spa för att följa upp ventilationsåtgärder. Ytterligare brister noterades såsom avsaknad av lämpligt tvättställ för handtvätt. Bristerna kommunicerades i en inspektionsrapport som skickades till Amiralsgatan 66 den 5 juni 2020. En kopia skickades även till fastighetsägaren Akelius lägenheter Kornet 5 AB.

Den 30 juni 2020 ringde Christer Palmgren, som företräder Mona Nylund som hyr lokalen, och berättade att alla brister som noterades vid besöket den 2 juni 2020 var åtgärdade. Den 6 juli 2020 utfördes ett uppföljande besök och det kunde då konstateras att det fortfarande saknades ett lämpligt placerat tvättställ för handtvätt. De kvarvarande bristerna

kommunicerades i en inspektionsrapport som skickades den 6 juli 2020 till verksamhetsutövarens hemadress på Koralgatan. Ni ombads i skrivelsen att inkomma senast den 18 augusti 2020 med eventuella synpunkter.

Den 14 juli inkom Christer Palmgren med information om att personalen tvättar händerna i badrummet alternativt köket om badrummet är upptaget. I en skrivelse daterad 21 augusti 2020 informerades Christer om att denna lösning inte är tillräcklig för att kunna upprätthålla en god handhygien och därmed undvika eventuell smittspridning.

## Bedömning

Hygieniska behandlingsverksamheter bör ha ett lämpligt placerat tvättställ för handtvätt som ska ha rinnande varmt och kallt vatten samt vara utrustat med flytande tvål, engångshanddukar och desinfektionsmedel. Enligt socialstyrelsens allmänna råd om yrkesmässig hygienisk verksamhet (SOSFS 2006:4) behöver det finnas tvättställ med flytande tvål och engångshanddukar i behandlingslokalen för att man skall kunna hålla en god handhygien. Vidare framgår av arbetsmiljöverkets föreskrifter om mikrobiologiska arbetsmiljörisker (AFS 2005:1) att de anordningar som behövs för att upprätthålla god hygien skall vara lätt tillgängliga.

Föreläggandet riktas mot verksamhetsutövaren eftersom denne anses ha ett ansvar över att verksamheten uppfyller socialstyrelsens allmänna råd.

Miljöförvaltningen bedömer sammantaget att risken för olägenheter för människors hälsa är stor till följd av att det saknas ett lämpligt handtvättställ och avsaknaden av vidtagna åtgärder. Miljöförvaltningen anser därmed att det är rimligt att förena detta beslut med vite. Vitesbeloppet är beräknat för att något överstiga kostnaderna för att följa beslutet. Om beslutet ändå överträds kan nytt beslut meddelas med ett betydligt högre vite.

## Gällande bestämmelser

Alla som bedriver eller avser att bedriva en verksamhet eller vidta en åtgärd som kan påverka miljö eller hälsa är skyldiga att visa att nedanstående förpliktelser i miljöbalken (MB) uppfylls (2 kap 1 § MB).

Den som bedriver verksamhet eller vidtar en åtgärd ska skaffa sig den kunskap som behövs för att skydda människors hälsa och miljön mot skada eller olägenhet (2 kap 2 § MB).

De försiktighetsmått som behövs för att förebygga, hindra eller motverka att verksamheten eller åtgärden medför skada eller olägenhet för människors hälsa eller miljön ska vidtas. Av samma anledning ska vid yrkesmässig verksamhet användas bästa möjliga teknik (2 kap 3 § MB).

Ovanstående krav i 2 kap MB gäller i den utsträckning det inte kan anses orimligt att uppfylla dem. Vid denna bedömning ska särskilt beaktas nyttan av skyddsåtgärder och andra försiktighetsmått jämfört med kostnaderna för sådana åtgärder (2 kap 7 § MB).

Med olägenhet för människors hälsa avses störning som enligt medicinsk eller hygienisk bedömning kan påverka hälsan menligt och som inte är ringa eller helt tillfällig (9 kap 3 § MB).

Miljönämnden är tillsynsmyndighet över bland annat hälsoskyddet och avfallshanteringen inom kommunen (26 kap 3 § MB).

Tillsynsmyndigheten får meddela de förelägganden som behövs i ett enskilt fall (26 kap 9 § MB).

Tillsynsmyndigheten får förena ett föreläggande med vite, som ska betalas i det fall att föreläggandet inte följs (26 kap 14 § MB).

Tillsynsmyndigheten får förelägga om att de uppgifter och handlingar som behövs för tillsynen ska lämnas in till myndigheten (26 kap 21 § MB).

Vidare är verksamhetsutövare skyldig att utföra de undersökningar av verksamheten som behövs för tillsynen. Detsamma gäller den som upplåter en byggnad för bostäder, om det finns skäl att anta att byggnadens skick medför olägenheter för människors hälsa (26 kap 22 § MB).

Vad som ska beaktas vid bedömningen av ifall bristande luftkvalitet i bostäder och lokaler för allmänna ändamål innebär olägenhet för människors hälsa framgår närmare av Folkhälsomyndighetens allmänna råd (FoHMFS 2014:14) om fukt och mikroorganismer.

*Åklagaren* framställer häktningsyrkande i enlighet med framställan om förlängd åtalstid, aktbilaga 21.

*Försvararen* uppger att Namso Nongnuch bestrider fortsatt häktning på det sätt som framgår av framställan om förlängd åtalstid, aktbilaga 21. Hon bestrider åklagarens yrkande om att alltjämt få ålägga henne restriktioner. Vidare bestrider hon att det alltjämt föreligger sannolika skäl för den misstanke som görs gällande och

På åklagarens begäran och utan invändning från den offentlige försvararen förordnar tingsrätten med stöd av 5 kap. 1 § rättegångsbalken och 18 kap. 1 § offentlighets- och sekretesslagen (2009:400) att den fortsatta förhandlingen ska hållas inom stängda dörrar.

Den fortsatta förhandlingen äger rum inom stängda dörrar, se hemlig bilaga.

---

Förhandlingen förklaras åter offentlig och därefter avslutad. Efter enskilt övervägande avkunnar tingsrätten i parternas närvaro följande

**BESLUT**

1. Namso Nongnuch är alltjämt på sannolika skäl misstänkt för grovt koppleri mellan den 1 september 2020 och den 24 maj 2021 på bland annat Nybrogatan 22 C, Falu kommun. Det föreligger fortsatt risk att hon på fri fot genom att undanröja bevis eller på något annat sätt försvårar sakens utredning. Det finns även en fortsatt risk att hon på fri fot fortsätter sin brottsliga verksamhet. För det angivna brottet grovt koppleri är vidare inte föreskrivet lindrigare straff än fängelse i två år, och det är inte uppenbart att skäl till häktning saknas. Skälen för häktning uppväger alltjämt det intrång eller men i övrigt som åtgärden innebär för henne.

På grund härav förklarar tingsrätten att Namso Nongnuch ska vara fortsatt häktad i målet.

2. Åklagarens begäran om fortsatt tillstånd att enligt 24 kap. 5 a § första stycket rättegångsbalken ålägga Namso Nongnuch restriktioner bifalls.

3. Åtal ska vara väckt senast den 7 juli 2021 kl. 11.00.

---

Ordföranden erinrar Namso Nongnuch om möjligheten att efter två veckor påkalla omhäktningsförhandling.

**ANVISNING FÖR ÖVERKLAGANDE**

Häktningsbeslut samt beslut om restriktioner får överklagas särskilt utan inskränkning till viss tid.

Beskrivning

I would like to leave a letter to B (Ms. Nongnuch Namso)

Nuch about the massage license. The Thai Embassy in Sweden calledl me and let me know and I contacted your school. I am currently dealing with your school. It is a Thai traditional medical school in Udon Thani. The school informed me that it had previously opened a massage teaching branch in Pattaya. But the main branch is located in Udon Thani.

The school has searched for the same information you attended and notified me as follows.

1 You studied Thai massage for health course 400 hours.

2. You studied foot massage for health for 60 hours.

3. You studied aromatherapy massage (spa) for 150 hours.

The school informed me that you studied in 2014(2014), do you remember? When you came back from Sweden, when you arrived in Thailand, you went to study in Pattaya, after finishing the course, you went back to Sweden and at that time you still didn't receive your study documents.

Last year, you came back to Thailand in February. (at that time I was sick) Then you contacted the school and you took an additional 150 hour Thai massage for health course and at that time you applied for a massage license. But you don't wait for the documents because you rush back to Sweden.

I have contacted them to obtain the massage license for you. It appears that the staff of Udon Thani Thai Traditional Medical School received documents from you, forgot to send you the application form. He has now searched for the same documents you applied for and has applied for a massage license for you. This is the cause of the delay.

You don't have to worry or stress. As soon as I have all the documents, I will send an email to Anders.

May you be strong with your problems. Our family cares about you and understands what is happening to you right now. everything must go well

can not understand why you advertise in kateroin escort / massage and not during massage no sex when you do not offer any form of sexual services.
Of course you just want a massage so feel free to book an appointment and hope that you get what you ordered but remember that there are many other cheaper options if nothing else

Om en uppgift som ligger till grund för registreringen ändras, ska du anmäla det till Skatteverket inom två veckor efter ändringen sker. Har du e-legitimation gör du enkelt din anmälan om ändring eller avregistrering via Skatteverkets e-tjänst på verksamt.se. Det går också att använda blanketten Ändringsanmälan (SKV 4639) som finns att ladda ner på skatteverket.se. Det kostar inget att ändra eller avsluta registrerade uppgifter hos Skatteverket.

## Lämna moms- och arbetsgivardeklaration elektroniskt

I e-tjänsten finns automatiska summeringskontroller och dessutom får man en kvittens direkt om att deklarationen är inskickad. Många gånger behövs ingen särskild anmälan för att börja deklarera elektroniskt. Läs mer om e-tjänsten ”Moms- och arbetsgivardeklarationer” på skatteverket.se.

## Information om momsregistreringen

Momsdeklarationen ska lämnas separat för varje helt beskattningsår i nära anslutning till inlämnandet av inkomstdeklarationen. Denna deklarationstidpunkt får **endast** användas av de som **inte** har handel med företag i andra EU-länder. Sker handel med företag i andra EU-länder måste deklarationstidpunkten för momsdeklarationen ändras till den 26 i andra månaden efter redovisningstidpunkten.
