Varför ljuger du för polisen att jag jagade dig i onsdags till komvux när det inte stämmer. Jag körde hem till dig för att kolla hur du mådde efter i tisdagsnatt när du var ledsen och trött. Du var inte hemma men när jag skulle köra så kom du med din lärare i bilen och du gick in till din lägenhet för att hämta en sak. Du sa själv till mig att vi skulle träffas på komvux, du skulle bara lämna din lärare i stan. Vi satt på komvux och skrev lappen och sen var vi uppe vid datorn. Jag tvingade inte dig till nånting, och jag jagade inte dig. Varför ljuger du för polisen? Hur länge ska jag skydda dig? Hur länge ska jag försvara dig? Till vilket pris? När det gått så långt att du till och med ljuger för polisen för att göra anmälningar på mig. Du leker med min framtid khaled!

"Hör på mig, hör på vad jag säger till dig.
Det finns ingen enkel väg, men jag följer dig tills den tar slut.
Om du rör vid mig, rör mig som du gjorde förut. Jag saknar din famn och allt det vackra vi gav varandra.
När det känns okej, som att allting ordnar sig, kan du visa vem du är.
Vi sover om dagen och jagar om natten, vi flyger som svalorna högt i det blå.
Hur kan man säga att allting är över, när vi är två själar som aldrig får ro.
Så ta mig i handen, och ta mig på orden.
Vi reser till stjärnorna tur och retur.
För du är den vackraste pojken på jorden,
och jag är din hjälte i sagan om oss."

Du följer nya tjejer på facebook hela tiden från ditt hemland. Jag är inte dum i huvudet. Jag har bara varit "svensk flicka knulla" för dig tills du inte behövde mig längre. Därför ingen fick veta om oss. Hade jag varit seriös för dig hade det inte varit hemligt. Jag ska skriva till Harisa att det är tur hon har kille Annars hade du lekt med henne också?? Men hon är klokare än mig och hade nog dissat dig efter första träffen isåfall

Du bryr dig inte ens om att få en tjej att komma, så länge du får vad du behöver.

Jag har googlat, och jag har till och med frågat tjejkompisar som är från syrien om vad som gäller du. Du får inte vara med en svensk så ljug inte för mig att religion inte spelar någon roll!!!!

 Jag ska aldrig träffa eller prata med dig
 Så kör hem
 Och skriv till mig och fråga om vi kan träffas
 Om du kommer här utan att fråga
 Så absolut ska inte släppa in dig eller träffa
 Bara för du att måste ha lite respekt

Source: Notes Labels: Body: Jag lovade att jag inte skulle smsa dig eller skriva till dig, och det är billigare att skriva brev. Jag saknar dig redan. Jag saknar känslan jag får av att vara med dig. Tryggheten du ger mig. Jag tänker hela tiden på allt vi gjort. Du får mig till att vilja bli en bättre människa och jag ska hålla detta nu och låta dig vara i en månad, även om det gör så så ont. Du vet att jag alltid kommer tycka om dig. Jag har inte gjort någonting för att skita på dig, allt jag har gjort är för att jag tycker om dig och vill vara med dig även om det har blivit så fel. Jag hoppas du har det bra. Jag tänker på dig. Hela tiden. Du vet var jag bor och du vet mitt nummer.
