Utan nya delar blir det svårt att göra något. Byta termostat skulle vara bra att göra ändå (kostar hundring på biltema) så kan man utesluta att värmeproblemet beror på det. Vi skulle kunna titt på den i Jimmys garage i Rosenlund

Jag har släpat hem bärs lite väl ofta och hon sa att hon blir orolig över utvecklingen av alkohol mängden. I förrgår kom jag hem med en back Mariestad he he då frågade hon om jag överhuvudtaget bryr mig om vad hon tycker om saken. Utan ett svar greppar jag 4burk och går in till badrummet och tappar upp ett bad

Hehe men i det stora hela va det nog bara jobbigt att hamna på att snacka om kuk igen å att du satt mig i en situation där andra satt lyssnade :)

Uppgift

I konversationer mellan 2015-01-01 och 2020-10-19 är samtliga bilder bortplockade med anledning av dess sexuella karaktär.

I sms som skickats med bifogad bild, har systemet plockat bort hela smset inklusive den text som tillhör smset. Detta har gjort att smset daterat 2020-10-18 där Johan skriver "Så ser hon ut i hugget" har censurerats bort. Med anledning av att detta sms tas upp i förhör med både Johan och Peter, har det bifogats som ett några sidor långt utdrag från den stora konversationen. Se nedanstående utdrag.
