Chattmeddelanden via applikationen WhatsApp.

Undertecknad blev ombedd att undersöka specifika chattmeddelanden i applikationen WhatsApp i beslag 2021-5000-BG13853-1, en mobiltelefon av märket Apple och modellen iPhone 11. Baserat på den information som utredare fått tillbaka från översättare så tycktes ordföljden på meddelandena vara felaktig. Undersökningen syftade till att ge en förklaring på varför ordföljden inte tycktes vara rätt. Undersökningen syftade även till att förklara om det kunde saknas information i de chattar där ordningsföljden tycktes vara felaktig.

Ordningsföljden

Samtliga meddelanden där det framgick att ordningsföljden inte tycktes korrekt redovisades i figur 1 nedan som är ett utdrag från en av de rapporter som skapats av utredare i ärendet:

Conversation - Instant Messages (158)

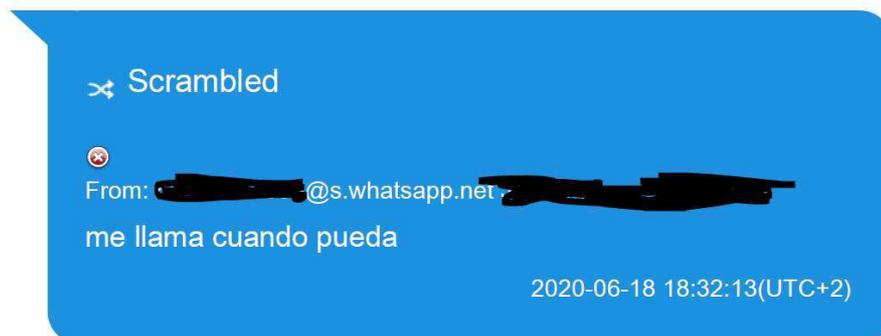

Bild 1 – Utdrag från utredares rapport, enskilt meddelande

Samtliga meddelande redovisades med ordet *Scrambled* högst upp och en röd markering med ett vitt kryss i straxt under. Den röda markeringen kan lätt misstolkas för att vara raderad information vilket det inte är i detta fall. Originalmeddelandet är med största sannolikhet raderat men denna information är påträffad lagrad i en databasfil vid namn *ChatSearchV5f.sqlite*. Denna fil är tänkt att fungera som en indexeringsfil för att snabba på sökningar i

applikationen WhatsApp, det vill säga att det ska gå fortade för användaren av applikationen att göra sökningar efter exempelvis specifika meddelanden. Enligt uppgift från leverantören av den programvara som läst ut materialet, läses denna databas endast ut om originalmeddelandet inte finns lagrat vid andra ej raderade WhatsAppmeddelanden i enheten. Detta eftersom ordföljden av meddelandena i denna databas inte är korrekt utan orden är i oordning, eller som tillverkaren benämner det som *Scrambled*. Enligt leverantören har det heller inte gått att återskapa ordens originalföljd på något sätt. Anledningen till att leverantören plockar ut denna information är att meddelandena kan ge en bra indikation på vad som faktiskt skrivits mellan parterna men för att tydliggöra att det inte är originalmeddelandena så märker man ut dessa meddelanden som *Scrambled*. Detta för att göra läsaren av informationen uppmärksam på att ordens ordningsföljd inte nödvändigtvis är korrekt.

Sammantaget har det inte heller gått att säga om det har funnits fler chattmeddelanden mellan aktuella parter i de chattar där ordningsföljden tycktes felaktig. För att eventuellt kunna undersöka detta behöver en fördjupad undersökning göras med tester och en djupare analys av informationen som extraherats från enheten.

Paloma är fotona bra

Fotona funkade. Om du tittar på fotot ser du att det är emot...emot...jag vet inte vad det heter. Men bokstäverna är bak och fram och på det andra fotot måste bokstäverna vara mörkare, det går inte att läsa.

Titta på fotona och så säger du till din väninna också att titta på fotona innan ni skickar dem till mig, så att de ser bra ut och att bokstäverna inte är bak och fram, för det är bakvänt och man kan inte läsa.

Om de har sagt att de verkligen kommer säger jag till och lämnar nyckeln med en kompis till mig som också arbetar. Min kompis ville till och med kolla med dem, om de kunde åka dit, då och då [Ö.a. ohörbart] för att jobba lite med dem och så skulle hon betala mig vid sidan om, typ en gång i veckan, något sådant, om det bara kommer en.

Hon undrar om du kan gå ner till 3 tusen, för hon säger att 4500 är mycket för ett litet rum. Det stora skulle fortfarande vara 4500
Det lilla 3 tusen.
Sammanlagt 7500?
Säg mig vad du tycker

Ella dice que si puede 3 mil bajarla porque dice que es mucho por 4500 una habitación pequeña
La grande se quedaría 4500
La pequeña 3 mil .
Total : 7500 ?

Det finns en som har ringt som frågar, så jag sade att det är si och så, jag blev sjuk, jag sover hela dagarna med hög feber och jag glömde att ringa dig och fråga, och det är redan till denna helg, fråga där hur mycket det kostar och allt så att jag kan säga till henne.

[Ö.a. mumlande, TV i bakgrunden] .. alla är sugna på att åka till julen, det finns inte jobb, inga ställen, men folk vill inte jobba, men en av dem ska stanna för att, hur är det man brukar säga, hon ska stanna, jag sade till henne att hon kan göra swish och eftersom hon inte har någonstans att vända sig är hon i den här stora bostaden för hon kommer från [Ö.a. otvetydigt angivet, Spanien?] så hon kommer stanna här. Den andra åker hem, för där uppe har hon inte jobbat, pratade, jag vet inte vad, hon hittade någon kille i Stockholm och ska åka. Men den andra ska stanna där, för hon har ingenstans att ta vägen och hon föredrar att stanna här och arbeta och hotell blir mycket dyrare, då är det bättre att stanna där. Jag sade till henne: ja, det är sant. Hon sade att hon ska prata med sin lilla väninna, ska prata med henne för att komma och stanna med henne i lägenheten och jag sade till henne att om det är på det sättet ska jag prata med henne. Annars får jag ge mig ut på jakt efter någon annan. Men jag håller redan på att leta efter någon annan också. Men hon ville att hennes kompis skulle komma. Jag sade till henne: jag ska ge dig en chans, du tar hit din kompis men i alla fall, idag fick jag bekräftat allt, jag fick Swish-numret till flickan och hon sade att vi är överens.

Jag ber om ursäkt om jag besvärar dig, fram till vilken dag är det som du har en ledig lägenhet [Ö.a. man som grymtar till i bakgrunden], jag har glömt bort att komma i ordning hela denna vecka, nu vill jag fråga tjejen som är där inne, om hon vill, om hon kan stanna en vecka till, så jag sade till henne att jag får se, idag, denna vecka har varit stressig, jag har helt glömt bort det, så det var inte förrän idag som jag blev färdig att göra detta för att se hur vi löser allt.

Hon berättade att hon har en liten väninna som kan komma med henne, jag ska fråga henne, jag ska ringa henne nu för hon ringde mig precis och frågade vad hon ska göra imorgon för jag hittar ingen annan lägenhet och har ingen [Ö.a. otydligt], jag sade så till henne, jag vet inte, jag hade helt glömt bort det, jag lovar och svär. Hon berättade att hon är lite rädd, kan hon prata med lilla väninnan, eller så ordnar jag en annan, jag vet inte. Hon gav mig lite tid att prata med dig och sedan skulle jag återkoppla till henne.

Paloma, min lägenhet är ledig den här helgen. Har du någon?

Förlåt mig, jag har varit väldigt sjuk och idag är jag bättre, jag såg ditt meddelande, jag har inte ens haft kraft att titta på telefonen. Det finns en tjej, hon vill ha datumen 23 till 31, hon kan bo i din lägenhet några dagar, och sedan ... eller så många dagar som det passar dig, och sedan åka till din kompis. Säg till mig.

Allt till henne är redan där, hon ska köpa biljetten och hon kan swisha dig för hon har också swish, sedan när hon kommer hit kommer hon att överlämna nyckeln till, jag vet inte hur ni ska göra då, du får säga hur du vill ha det, jag gör allt klart för henne nu, lämna ditt telefonnummer om du också har lust.

Det ska fortfarande bekräftas, jag har inte hört något från henne ännu, jag ska ringa henne och kolla, men den andra tjejen, hennes tåg till Göteborg går klockan sex på kvällen, sade hon, jag vet inte hur lång tid det tar för att komma fram, men nu är hon på jobbet. Jag ska ringa henne eller skicka meddelande, men vanligtvis arbetar hon i en skola med städning, så hon har inte alltid telefonen med sig men hon hade köpt biljett till klockan sex på kvällen.

Det är bara så, Paloma, prata med dem. Be dem att inte ge min adress direkt, nej. [Ö.a. adress ottydligt uttalad, Elando Botorp Salem?] 29 för det där är byggnaden mitt emot, då kan de se vem det är för det kan vara polisen som kan ta dem. För de andra som kom hit i december lämnade ut adressen direkt till personer.

Du behöver ha fler foton. Minst 5 foton för att kunna jobba bra här i Sverige. Och har du inte det, så får du ta nya foton. Och sen måste man verifiera foton, ja det är lite annorlunda här. Man måste ladda upp foton och sen väntar man på att de blir accepterade. Sen måste man lägga upp ett verifikationsfoto. Jag förklarar för dig sen när du är tillgänglig hemma.

Jag kan inte säga till dig något. Tjejerna som kommer från Danmark, Sverige, Norge, Finland är tjejer som reser och som har professionellt tagna foton. Detta är något du måste ha. Mitt råd är att du måste ta foto och att du måste vara mer förberedd i dessa länderna. Du kommer bara att framstå som dum om du använder falska foton som bas

Saken är den att jag när jobbat med raska totori.
 Jag åker inte runt i hela världen. Från Italien kom jag till Danmark och från Danmark kom jag hit, och jag har jobbat med falska fotografier, i Italien, i Danmark men jag har inga egna fotografier, förstår du gumman? Om du hade sagt det till mig igår då skulle jag förstå, men nu fokuserar vi på det där med lägenheten. Om du hade fotografier är det bättre att lägga ut dem direkt, för jag frågade dig om det, om inte de fotografierna funkade. Jag skickade dig 5 foton, men du kan inte komma och säga att man jobbar annorlunda här, för det finns kvinnor här som jobbar med falska foton och de har jobb. Det man måste göra är att hitta fotografier som ser ut som en och sen är det upp till varje persons tur. Jag har jobbat med de där fotografierna överallt där jag har varit. Med fotografier som liknar mig, för jag är inte smal men heller inte någon tjockis.

Jag har ju jobbat sen jag kom, men det som hände var att den där tjejen blev avundsjuk och ställde till det för mig, och jag blev kvar. Men folk kom, och jag jobbade, gumman. Fullt upp, och jag satte ut ett foto till.

Tendrás acceso a todo el lugar.

Otros aspectos destacables

Esta es una parte independiente independiente del apartamento principal.

Samtal mellan två kvinnor på portugisiska och spanska.

K 1 på portugisiska: Ok, du sa att du har pengarna. När du kommer säger du att du inte har pengarna.
 K 2 på spanska: Men gumman! I bilen frågade du om jag hade pengarna. Och då sa jag att vi ses klockan tio, att jag har inte pengarna här. Du sa att du kommer klockan tio och jag sa, Ok, jag väntar på dig. Du sa ... (pratar i munnen på varandra)

K 1: Nej, det var inte så. När du var i lägenheten i Stockholm (avbrott)

K1: ...sa du att du skulle ge mig pengarna.

K 2: Javisst.

K 1: Du måste ge mig pengarna. För med mig är det inte så, med mig funkar det inte så. De andra betalar du pengarna, men med mig är det måñana, måñana, måñana (imorgon). Det funkar inte! Jag måste betala mina saker. Och så kommer du med, "men jag har inte pengarna nu." kom inte hit då. För jag har mina saker att betala, förstår du? Det är det vi pratar om...

När du kommer och snackar och säger: "jag betalar på söndag", Ok du betalade efter 15 dagar. Det andra...

K 2: på måndag

K 1: ja måndag

K 1: "Jag har inga pengar, jag betalar nästa vecka" Jag kan inte med det!

K 2: ...Onsdag...ger jag dig

K 1: Jag har mina utgifter. Jag har mina saker som jag måste betala för.

K 2: Klart!

K 1: Jag ska gå och köpa en garderob nu. 4000 som jag måste betala. Jag har inte pengarna! Du säger ju att du ska ge mig på söndag. Och jag säger till henne att jag har pengarna på söndag och hon väntar. Hon kommer inte att vänta på mig om jag inte har pengarna. Hon kommer att sälja till någon annan, fattar du? Jag kan inte bara vänta. OK, OK. Mañana, mañana. Det funkar inte så med svenskar. De väntar inte.

K 2: Jag hänsyftar på allt från början. Jag tar det bakifrån. Om jag har ett åtagande gentemot er (3 pers. sing.) och säger: "Bekymra er inte" så betyder det, bekymra er inte. För Leidy? vet att jag har alla pengarna. Under tiden, även om jag har rest bort så har jag letat efter personer som skulle kunna vara i lägenheten.

K1: Ja men... (protesterar)

K 2:Ett ögonblick, ett ögonblick, min vän! Jag behöver inte tala om för er om jag ska resa eller inte. Det har ingen betydelse. Jag var inställd på att se till att få fram en person som kunde komma hit, oavsett om det var Gabriella. Hon eller någon annan. Jag sa till er att jag är i kontakt med en väninna som kan hjälpa mig.

[engelsk text, ö.a.]: Jag är så ledsen, det är min hyresvärd och jag pratade bara med honom. Jag fick inte godkännande för att hyra den och jag har din vän hos mig innan du flyttade in att jag hyr ut svart. Jag trodde det skulle vara okej men han är riktigt arg på mig nu. Jag vet att det här är dåligt och jag är så ledsen men jag kan inte hyra ut den för dig längre.

Hej Astrid! Vet du vad som hände nyss. Istället för att trycka på femmans knapp, tryckte jag på trean. Så då hamnade jag på tredje våningen fast det skulle varit på femman. Och när jag försökte öppna dörren och det inte lyckades blev jag otroligt rädd. Jag tänkte, det är inte möjligt att dörren ska ha gått i lås. Hur??? Men då var jag ju på tredje våningen! Och så ringde jag till brasilianskan att hon skulle vara snäll och komma och öppna. Då säger hon, "Men Jennifer, dörren går inte i lås om inte du låser den med nyckeln." Hur kan du komma och påstå att dörren är låst och att du inte kommer in!?

Och Astrid, sen kom kunden och sa "Låt oss gå!" för jag lämnade över henne till honom och hon förklarade för honom att det var omöjligt. Vi gick in i hissen igen och jag tryckte på femman och när vi kom upp öppnades dörren. Och kunden sa till mig: "Du måste titta på namnet på dörren. Här står det Svensson och där på andra våningen stod det..." jag minns inte vad. Så, ha ha ha, vi höll på att skratta ihjäl oss. Åh Gud, min galenskap!

Gomorrón, hur mår du? Vad var det jag skulle säga, när din väninna ska skicka pengar till mitt konto, se till att meddela mig innan, så att jag har koll på det och omedelbart gör en överföring, ifall att. Med det här med Swish måste man vara försiktig. Så att hon är snäll och skriver till mig först, så att vi kan tala först och jag säger vad hon ska skriva, så att vi får det verka som om jag sålt något till henne, OK?

Jag ringer dig imorgon

Alla tjejerna klagar, allihop. Den enda som inte har klagat är hon i Kristianstad(?). Dit skickar jag dig sen. Det är bara en som kan vara där, för lägenheten är pytteliten. Men där tjänar man bra. Hon gör 400, 4500 om dagen. Minst 3000. Idag har hon ännu inte jobbat, men man gör åtminstone pengar varje dag.

Det finns inget jobb

Gumman, du hade rätt! Vilken tur att du inte sa nåt till henne, ifall hon skulle skriva på nytt... För kassorna (uttagsautomaterna?) är stängda där på Centralen. Det är stängt, så han tog tunnelbanan hem innan han missade den. Min fästman var ut och hämtade mig, så nu är vi här hemma. Imorgon kommer han Swisha er (tredje person sing.) och Swisha henne. Hör du? OK; då säger vi så.

Hej igen Astrid och tack för samtalet.
Jag har pratat med Maria också, så även hon vet vad vi pratade om.

Så här är det angående hyran för huset i Ängelholm.... ; sedan tidigare har de en skuld som de har lovat betala minst 500 kronor i månaden på, detta utöver ordinarie hyra, enligt Maria kan de fortsätta med det, skulden uppgår då idag till 2200 kronor, denna kan de alltså fortsätta dela upp med minst 500 kronor per månad framöver.
Ordinarie hyra är alltså 11 000 kronor per månad som ska vara inbetalt i förskott varje månad senast den 27e i varje månad.

Maria hälsar att hon visst har förståelse för deras ekonomiska situation, men att det är därför de har fått ett förmånligt pris.

Om det är något tillfälligt problem med att betala hyran, så måste de kontakta Maria och prata om hur det ska lösas, och sköta det man kommer överens om.

Om man inte betalar hyran och inte kontaktar den man hyr av, så kan man i värsta fall bli utan bostad.

Om du har några frågor så hör gärna av dig till mig.

Mvh Togge

Hej Astrid! Jag kunde inte svara dig innan för att jag var på toaletten men nu är jag vaken. Hur det är med oss dåligt. Ja och vad vill du att jag ska säga. Vi kan inte gå ut hemifrån för vi har inga pengar, men vi försöker... Samuel pratar med sin syster för att se om hon kan låna oss pengar för att kunna betala lägenheten. Så den här veckan kommer vi att få reda på om hon kan låna oss pengar.

Och jag kan ge er pengar på tisdag

Nu har jag kollat upp alla möjligheter och hittat en sida där jag kan annonsera ut dig och allt det. Och det jag ska göra är att skicka dig några menyer på det vi ska erbjuda, så att det blir mycket, mycket bättre. Och sedan tänkte jag på färdigpackad mat för kroppsbyggare. Det ska jag också göra annonser för åt dig, jag har hittat sådana sidor. Har sett att det är jättestort nu, smörgåsar, och de beställer för en vecka. Så du gör och de beställer för att ha i kylskåp en vecka. Sandwichar, hälsosam mat. Jag ska skicka foton. Det är jättelätt. Strimlad kyckling, sallad och ris. Det var det jag ville prata med dig om.

Vår faders ande, vår herre skaparens ande, vår fader, son och helige ande, den heliga treenigheten, vår obefläckade jungfru, ärkeänglar, änglar och andra helgon i himlen, rikta ert ljus mot mig.

Forma mig, min herre, låt mig förenas med dig och kom in i mig, kontrollera mig. Avlägsna allt det onda som förföljer mig och som jag har inom mig, döda det, begrav det, så att min själ kan få frid och så att jag kan sträva efter frid.

Avlägsna alla förbannelser från mig, trollkonster, negativ magi, onda ögat, böner, förankringar, besvärjelser; demoners smitta och demoners synder. All ondska, avundsjuka, synd, svartsjuka och arrogans; fysiska, mentala och moraliska sjukdomar liksom sjukdomar orsakade av demoner . Fördriv all ondska till helvetets eldar så att den aldrig mer kan återvända för att påverka mig, eller påverka världen . Jag ber och önskar med hela mitt hjärta, i Guds skapares namn, Jesus Kristus vår frälsare från synder, genom vår obefläckade jungfrus skapelse och nåd, att all ondska, all min smärta, alla demoner som bor i mig ska lämna mig, avlägsna sig från mig omedelbart, att de ska lämna mig till fullo och inte återkomma, de ska återvända till sitt eviga helvete och aldrig någonsin lämna det. Ni ska trampas på och bindas fast, plågas och spottas på, allt detta i händerna på ärkeängel Mikael, av Gabriel, av Rafael; de som fastbinder, och trampas på under vår obefläckade högst ärade jungfrus häl. Amen.

Espíritu de nuestro señor, Espíritu de nuestro creador Dios, Nuestro Padre, Hijo y Espíritu Santo, La Santísima Trinidad, Nuestra Virgen Inmaculada, arcángeles, ángeles y demás Santos del cielo, guíen su luz hacia mí.

Moldéame, Mi señor, unícame y entra en mí, contrólame. Saca de mí todas la maldad que me persigue y que poseo, mátalas, entiérralas, para que mi alma pueda estar en paz y yo pueda inculcar paz.

Saca de mí las maldiciones, los hechizos, magia negativa, mal de ojo, oraciones santas, amarres y los maleficios; contagio diabólico y el vicio diabólico. Todas las maldades, la envidia, el pecado, los celos y arrogancia; Enfermedades físicas, mentales, morales y por medio de todo lo diabólico. Todas las maldades expúlsalas al fuego del averno, para que jamás vuelvan a salir y no me toquen ni puedan tocar al mundo. Pido y deseo con el corazón, en el nombre del Dios creador, Jesucristo nuestro liberador de pecados, por obra y gracia de nuestra Virgen Inmaculada, a todas las maldiciones, todos mis malestares, todos los demonios que habitan en mí, que se vayan, que se alejen inmediatamente de mí, que me abandonen absolutamente y no regresen, vuelvan a su infierno eterno y de ahí no salgan jamás. Seréis pisados y atados, maltratados y escupidos, todo eso en manos de San Miguel arcángel, por San Gabriel, por San Rafael; tu atadores, pisoteados por el talón de nuestra Virgen Santísima Inmaculada. Amén.

 TACK AMEN.
