Jag är en ung tjej från Colombia, söt, kärleksfull och passionerad, jag erbjuder min naturlighet och äkta passion och därför finns det många som vet att jag är en professionell och dedikerad älskarinna. Jag är kåt och syndig och kommer att ägna dig min fulla uppmärksamhet, jag är en kvinna som kan lyssna och jag vet hur jag ska tillfredsställa mina älskare, jag är alltid redo att gå ett steg längre med dig. Godhet, sensualitet och passion är ord som beskriver mig. Jag är en tjej som alltid är beredd på alla typer av tillställningar, jag är en hora i sängen och en fin ung tjej på gatan, med mig kan du njuta av alla dina fantasier och samtidigt vara helt lugn eftersom jag är diskret och väluppfostrad. Fundera inte mer, utan låt passion och lust flöda tillsammans med mig. Puss Bianca <https://www.sustitutas.es/registro>

Att vara stor i käften är en sak, en annan är att skryta inför en person att man inte vet varifrån pengarna kom. Men att skryta om att det var du som gav honom pengarna!!!??? Snälla Astrid, ta fram din mordiska sida och gör slut på honom omedelbart. (skratt)

4) Anuncios gratis a los que podemos incorporar formato vídeo

La mayoría de páginas permiten subir una o varias imágenes acompañando los anuncios, pero algunas también dejan incorporar un enlace a YOUTUBE, donde anteriormente se tiene que haber alojado un vídeo. Esta idea es genial ya que diferencia este tipo de anuncios de los tradicionales y, además, permite al anunciante mostrar de una forma mas atractiva y realista lo que ofrece.

Och faster /moster/tant, jag älskade det. Jag vet inte hur jag ska uttrycka hur spännande det här känns. Jag förväntade mig ingenting och nu har jag sett fram emot det här. Tack så hemskt mycket! Någon dag ska jag betala tillbaka till dig för det här med råge. Och härom kvällen pratade jag med min bror och den har 2 våningar. Jättefint! Nu ska jag göra i ordning allting och sen ska jag skicka en bild till dig. Det är jättefint! Jag älskar den här looken. De är jättefina! Jag menar det verkligen. Tack så hemskt mycket, Astrid! Och jag är så tacksam för den här detaljen. Verkligen!

Jag ska se till att du får sova mycket

Gratulationer till att bebisen föddes vit och inte svart, för en svart skulle aldrig accepteras i släkten. Bekymmer för kläderna som blev kvar i Sverige och hur de ska fås dit de ska vara. Tack för en barnsäng som fått i present så att bebisen inte behöver sova i en fruktkartong.

Hej hur är det? Vi mår bara bra. Nu känner vi för att... (bebis låter i bakgrunden) Den där resväskan är förhäxad. Det är därför den inte brann upp. Vad synd! Det verkligen märkligt att inte den brann upp. Just i dagarna har jag tänkt fråga dig vad försändelsen kan tänkas kosta.

(Klagomål om att ingen vill hjälpa till med att skicka kläder värda 700 till Spanien pga förbud att skicka något från Sverige.)

(Snack om gamla resväskor kläder madrasser barnvagnar som har brunnit upp.) Är egentligen glad över det, eftersom jag flyttar den 1 oktober och då behöver jag inte betala för att kasta allt det där skräpet.

Deras pappa tillagade grönsaker åt den här grabben. Burkmat. Och så kom de med 4 kartonger av sådant och de åt av allt det och de här burkarna blev över. Det var det de lämnade efter sig. Och så lämnar de min resväska också som du hade gett mig. Och så hade de med sig 2 täcken som hundarna hade pissat på. Och sen tvättade de dem och allt blev förstört. Och sen kastar de dem. Och sen hade de med sig tallrikar och sånt. Allt det har gått sönder, jag vet inte hur, så då blev det inte så mycket kvar. Så när de packade bilen var det väldigt lätt. De hade kunnat lagt det på ett av sätena och hundarna skulle ha haft tillräckligt med utrymme. Men nåväl, de ville inte göra det. De hade kunnat lagt det på golvet och haft mer utrymme. Eller i bagageluckan och så haft mer utrymme. Men de vill inte uppenbarligen. De vill inte göra folk en tjänst.

God morgon, god eftermiddag. Först nu kan jag svara dig. Det är ingen fara, nån dag kan du behöva det. Få se om jag kan göra dig de tjänsterna. Är det nåt så hör av dig. Om du ger mig nummer till den här tjejen... om du ger henne min väska så kan jag komma överens med henne om att skicka den, men går det inte, så meddela mig.

Jag ska berätta att allt här är väldigt begränsat. De vill stänga in oss i hemmen igen och till syvende och sist så har Spanien fler smittade än andra länder, tror jag, som inte har några restriktioner. Jag tycker det är så lustigt, allt är stängt. Det enda som är öppet är barerna till 12, allt annat är stängt. Så det finns inte mycket till turisterna, men de kommer ju inte hit för att festa heller. Och någon fest finns ju inte...

Prat om resväskan som ska skickas till väninnan i Spanien.

"Jag har ju, som du vet, väninnor som åker emellan, så jag ska skicka den med någon av dem."

Prat om kläder och klädfärger. Gratulationer till att bebisen föddes vit och inte svart, för en svart skulle aldrig accepteras i släkten. Bekymmer för kläderna som blev kvar i Sverige och hur de ska fås dit de ska vara. Tack för en barnsäng som fått i present så att bebisen inte behöver sova i en fruktkartong.

Svårigheter med att få tag på erotiska underkläder. Märkligt att man inte kan skicka den där resväskan med posten som om man spottat coronavirus på kläderna.

... de får ringa på kvällen. De som vill komma på kvällen får ringa. Och vad var det jag skulle säga, om det är en outcall, då skriver du att de får ringa. Och sen skriver du in den på gps. Säg till Andrea att hon skriver dit den, där det är. Och om det lönar sig, så får de ringa och så...

Låt Andrea svara i telefonerna på svenska om hon kan göra det och att hon hjälper dig. Låt henne göra det för annars kommer ni ju bli tokiga och inte tjäna några pengar alls och bara slösa bort tiden. Förstår du? Jag ska försöka hjälpa er i morgon.

Saken är den att en ringer och så förstår jag dem inte helt och fullt, och då säger de :” Då skickar jag ett meddelande”. En ringde om en out call på 30 minuter och medan jag svarar en, inkommer samtal och då raderas meddelandet som jag skrev på. Och du vet, det blir tokigt. Alla skriver samtidigt. Eller så ringer de och säger att de ska skriva meddelande. Men jag kan inte hålla isär numren, för jag är ju blind och ser ju inte.

Hon har svarat kunderna. Jag lämnar över kunderna, hon talar till dem på svenska. Men det är inte bara det. En kund vill ha en out call långt bort. Vad ska jag ta för pris för det? Och då säger han "okej jag skickar dig ett meddelande". Och medan jag svarar honom så kommer det ett nytt meddelande och då snurrar jag ihop det. För Andrea kan inte svara så mycket heller. Så, så är det.

Han i Trelleborg vill bara betala tretusen kronor. Och så frågar han varför han måste betala 500 för taxin. Då säger jag att det är på grund av avståndet. Men Trelleborg ligger ju längre bort. Så jag vet inte hur mycket betalt man kan ta. Han väntar på svar. Tala om för mig, för du kan priserna bättre än jag. Jag vet ingenting om det.

Det här med out callen, glöm det. Om det är långt, långt borta och så lite som en halvtimme, nej! Minst en timme, annars måste det ske där på hotellet. För att inte komplicera det för oss.

Det är långt borta, för långt borta. En halv timme. Det är inte lönsamt. 60 euro, det skulle bli 600 kr, och så fram och tillbaka. Nää! Det är fruktansvärt.

Det är inte det som är problemet, jag skulle kunna svara på alla meddelandena men saken är den att mobilen gör det svårt för mig för jag förstår mig inte på den, jag har inte haft en sådan på 10 år

Ja, den här telefonen jag har den är gammal och den låser sig. Den låser sig, den låser sig. Men meddelandena går bra, de skickar dem till översättaren direkt, vet du. Då blir det lättare för mig och Andrea behöver inte bli inblandad. Och när det kommer samtal så försöker jag prata med dem på engelska, och då vet jag ungefär vem det är. Det blir lite lättare för mig. Och då blir det lite mer ordning för dig och jag kollapsar inte, för jag höll på att kollapsa så där som äääääh! Andrea kände för att öppna fönstret och skrika "Hjäääälp!"

Jag tar ju hand om..., inte nu, men för länge sedan, en 8 sådana telefoner. 8, sådana telefoner. Och jag kan sköta allt. Men i vanliga fall sköter jag 2 hela tiden. Det är därför jag har 2 chip i.

Den första out callen är ju långt bort, älskling. Det var ju därför jag skickar den till dig. Och den under står det i på min gps att det ligger 4 minuter bort. Men han vill bara betala tvåtusenfemhundra. Tycker du jag ska gå ändå? Men det står ju att det ligger 4 minuter bort.

Okej då, väntar jag, för om 15 minuter kommer det en ny kund. Han, som sa tidigt att han ville ha en timme. Då föredrar jag att han kommer hit för 2,5 än att ge mig iväg ut. Då kan du ju säga till den andre att jag kommer lite senare okej. Eller ska jag inte säga någonting? Jag vet inte.

Jag har ärligt talat inte lust för det är 2 timmar bara att åka dit och 2 timmar för att åka tillbaka, dessutom 8 timmar med honom, det är inte lönsamt då jag bara får hälften, det är bättre att ta något annat som dyker upp och att åka efter 45 minuter mer eller mindre om han är registrerad 14 :28:59

(Ohörbart) Skratt. Jag söker och söker utan att hitta honom.

Slappna av, slappna av. Låtsas som att du går på toaletten och så gör du så flera gånger lugnt och fint flera gånger. Och sen stoppar du in fingret, så ska du se att du kommer att hitta det. Men kroppen kommer att få ut det. Men bekymra dig inte om du inte får ut det. Lugna dig och det kommer att komma ut. (barn i bakgrunden)

Nästa kund stod där nere och jag sa till honom att vänta 5 minuter ,för han hade inte meddelat innan. Och han sa "ja, men jag är här nu". Och då sa jag vänta 5 minuter. Och då sa han till mig att komma ner och hämta honom. Men jag sa, okej jag ger dig koden och du kommer upp. Men då sa han "nej, jag vill att du kommer och hämtar mig". Men jag höll ju på att ta ut tampongen, ja just det jag fick ut den. Och då sa jag, "jag ska ge dig koden och så kommer u upp om 2 minuter". men då sa han "bye" och stack. Skitstövel!

Att du ska hämta honom som om han vore ett litet barn som inte kan ta sig upp själv. Vilken idioti! Vilken dumskalle! Min gud! Hör du, tala aldrig om för dem vilket lägenhetsnummer det är. Säg bara tredje våningen eller andra våningen, vad det nu är och sen låter du honom komma upp, och sen när du ser honom, då öppnar du.

Ja det gör ont i dessa dagar. Men får se hur det går med dagen, om det åtminstone kan bli någonting så att man tjänar in annonsen. Får se hur det går, men i morgon kommer det gå bra. Imorgon, måndag, tisdag, onsdag kommer det att gå bra. Och under jul kommer vi att hitta någon under heela natten.

Och idag är det söndag, då är det vanligtvis lugnt överallt. Jag minns att på söndagarna brukar jag ta det så där... Ibland var det någon utlänning som ringde på en söndag under sommaren och så. Vet du, ring mig någon gång när du kan, jag behöver fråga dig en sak. Angående en väninna. Hör du, nu ringer det igen. (telefon ringer)

Alla Western låter en inte skicka kontant. Vi hoppas att den här låter dig göra det. Till den andra måste man ringa och säga att man ska göra det kontant. Det var därför jag sa till dig. Men om de låter dig göra det så, ja, skicka det till mig på Western union, så hämtar jag ut det här. Jag skriver hela namnet åt dig.

Okej, nu har jag skickat det till dig. Jag väntade på att de skulle bli lediga. Det var så mycket folk som väntade (ohörbart.) Så jag kommer att fråga honom på nytt när han blir klar. Jag gick ut för jag håller på dör av värme.

Det var han för 700. För idag skriver han och säger "snälla för 500". Och då sa jag "hör du, du, var inte så fräck. Jag gav dig rabatt häromdagen för jag hade tid, men det var då. Men kom inte nu och försök att sänka priset. Jag låter dig komma för sjuhundra för jag har gett dig där priset en gång. Så när du har de sjuhundra då kommer du." Och då sa han "ja men då swishar jag". Och då sa jag "om du swishar så blir det 1000." Och då sa han "nej nej då kommer jag med sjuhundra kontant." Och jag sa "okej då" och då kom han. Så han försöker ju sänka priset och tror att jag är dum. men de sjuhundra de hade han ju.

Säg nej till dem

(Ohörbart) Nu kommer jag att somna, det är så sent och jag är ju mamma av den lägre sorten så att säga. Så imorgon måste jag ta min dotter till förskolan, laga mat, frukost och köra min hund till man till jobbet som måste jobba för att försörja mig, och fortsätta att leva mitt eländiga liv.

Hej älskling! Ja, bekymra dig inte. Han gav sig iväg tidigt. Jag somnade faktiskt, jag var så trött. Jag hade den där spyflugan efter mig och sov med kniv i handen. Han höll på att bli tokig. På natten ville han ge mig massage men jag sa nej och då lade han pengar på bordet och sa "men jag betalar för det." Men jag sa, "nej, jag vill inte. Jag låter den jag vill massera mig, men jag vill inte att du rör mig. Sedan lång tid tillbaka vill jag inte ha några närmanden." (Ohörbart.) Så fort jag öppnade dörren så började han "åh, hej" och ville som krama mig. Och då sa jag, "håll dig undan. Du vet att jag inte tycker om det där." Jag är helt förstörd, jag har inte sovit någonting. Jag ska sova en stund. Jag ringer dig sen. Han gav sig iväg så jag ska passa på och sova nu.

Den här skitstöveln med dom 700 skrev till mig. "Hör du, en kompis vill komma idag men han säger att han kommer senare. Jag meddelar dig. Jag är nära dig och jag har en present till dig." Och jag bara, vad är det? "Vad vill du? Tala om det". Då skickar han en bild på en påse och jag tänkte jag det är väl den påsen han vill ge mig. Men jag lät honom inte komma upp utan jag gick ner. Och han kommer karameller och godis för att bli tjock som en gris!

Det jag menar var att om jag skickade dig alla pengarna så där som jag gjorde förra gången, och så skickar du henne en Swish från ditt konto.

Det där kontot är inte ett konto som jag... Det är ett sporadiskt konto. Swishen har jag på en annan bank och där kan man inte sätta in pengar. Det går inte. Så nu måste jag skicka de pengarna till mitt konto, men gör som du vill. Men för att göra det lätt, skicka dem till henne. Eller gör som du kan, så gör jag upp med henne, så gott det går.

Jag pratade med tjejen och sa att jag behöver lägenheten i Örebro, för jag är 2.Aalltså vi är 2, jag och en till tjej som är med mig. Så jag behöver lägenheten för 2.
 Hon har precis meddelat mig att det inte finns någon tillgänglig. Först nästa vecka. Jag sa till henne att reservera den åt mig nästa vecka och att hon ska ge mig all information om lägenheten.

Jag tror att jag kan avaktivera kameran för den fungerar med wifi. Men nåväl, jag tycker inte så mycket om den tanken men jag skickade infon och ser om du kommer på något.

Det där med lägenheten, om du vill så tar jag den ,men tjejen får ge mig hälften av pengarna för det handlar om mycket pengar. Och jag måste be en vän om en tjänst. Att göra det själv med bara mitt kort, det är inte fördelaktigt. Som du vill att vi ska dela på den här lägenheten, hon och jag, då får hon komma och ge mig pengarna, eller så tar jag mig till henne och då tar jag den med min väns kort, med Christians. Det är den killen som var och hämtade henne så då vet hon vem han är. Så det är det. Men att jag ska betala allt själv, nej... Jag tycker inte om att göra saker på det sättet.

Okej men det jag tänker är att om vi bara blir kvar till på onsdag så kanske vi inte behöver använda oss av reklamen. Ifall det nu är så att vi på onsdag åker till Örebro.

Vart du än åker så följer ju reklamen dig, oavsett om det är Silvana(?) eller vad det än är. Bekymra dig inte!

Första gången gjorde vi en försändelse på 1000 och då var jag med honom under hela processen. Och vid andra tillfället var det också en försändelse på 1000, men då såg jag inte att han satte in pengarna. Han skickade iväg mig för att hämta en flaska vin och då såg jag inte hur han satte in sedlarna på banken.

... med din pappa. Han kommer att förklara allt till mycket väl. Jag håller på och pratar nu med en kompis som är polis. Han kommer också att hjälpa oss med allt vi behöver. Jag ska tala klart med honom och sen ringer jag till dig, okej? Puss. (Man och barn i bakgrunden)

Jag sa till honom att det inte var så mycket jobb, han brukar ju se mig vara väldigt upptagen. Sen när jag blir klar då bad han mig hämta en flaska vin. och när jag inte längre var upptagen så kom han ju hem till mig och då började problemen. Sen när han var ute med sin kompis en dag då blev han full när han festade till. Så från den stunden så tänker jag att den här killen, han satte inte in pengarna på banken utan festade bort dem, eller något sånt. Men från den stunden som han började festa förändrades allt. För då kom han som skamsen och med en blombukett. Han frågade vad jag hade gjort och var väldigt nervös. Faktum är att han blev inlagd på sjukhus för 2 dagar sedan. Han festade till ordentligt. Han sa att han hade tagit mycket kokain och så och att han inte mårde bra och att han var nervös bla bla bla. Och sen hade han gått till läkaren och det var det som hände, som jag sa.

Jag har sett att killen har tagit bort sin profilbild från WhatsApp. Så han är ju rädd och jag vet ju vad han har gjort. Han gick och drack sig full med mina pengar, så är det. Jag tror inte ens han satte in dem på banken. Det var det som hände mig, jag får den känslan.

Jag har en aning om hans nuvarande adress där hans lägenhet är. Jag vet att det är den där, den adressen har vi. men sen dit han flyttade... Han tog ju mig dit för att visa mig lägenheten. Det var ett område nära Solna, lite högre upp, mer till vänster mot några berg, där det fanns några väldigt fina hus. Och han sa, titta de här husen kostar 4 miljoner. Det var några hus uppe på bergen, väldigt fina. Han bodde ännu högre upp i några enklare lägenheter som kostar runt sex tusen i månaden. Och han parkerar sin bil precis ute på gatan, om han nu fortfarande har den där lägenheten. Det vet jag ju inte, jag vet ju inte var han är. Men om jag åker dit med en kompis och försöker att spåra lite så kanske jag till och med kan se honom, registreringsskylten på hans bil eller ta någon bild på honom. Det är det enda jag kommer på.

Hans adress kan jag ta reda på med namnet. Jag kan ta reda på allt om honom, var han bor och allt. Har alla hans uppgifter. Bekymra dig inte

Okej, jag tror jag tar ett flyg till Spanien, på torsdag...

Det är okej sötnos, okej. Så tänk dig för ordentligt hur vi ska göra med det här med dina pengar. Men det är klart om det får dig att känna dig bättre och du inte vill krångla till det så mycket, för det kommer att bli krångligt, jag förstår dig. Det enda är att man blir så vansinnigt arg, att den här typen ska komma undan. Det verkar vara hans modus operandi att alltid göra så här med tjejer. Han utnyttjar dem, får deras förtroende, och sen gör han det han gör. Han är en skitstövel.

Ja ja. i går pratade jag med Carolina och kanske han ger pengarna till henne. För jag fortsatte att säga till hen att han har en Swish som är min. Jag sa till honom att ge den till Carolina. Men jag tänker inte låta mig luras igen, för han har frågat "kommer du att förlåta mig?" Jag svarade att jag förlåter honom när jag får igen minst halva summan pengar.

Men när man är nedstämd och så, så påverkar det jobbet. Men i går blev du ju lite uppmuntrad, det handlar bara om att muntra upp sig lite. Det är så det funkar här i livet, bara att fortsätta. och än mer när de gör dig illa, det är då man måste vara ännu starkare. Den här kille gjorde dig illa och det är då du måste vara som starkast och inte låta dig sänkas.

Och det är vad jag sa till Carolina då när ni kom ihop med lite. Ni är i den fasen då ni lär känna varandra. Och var och en har haft... Folk är sån skit. Var och en lite grann på defensiven. Det är inte så lätt att umgås med folk som ibland är taskiga. Då blir man på defensiven och det är ju normalt. Men sen när ni lär känna varandra då kommer det bli jättebra. Då vet ni att ni kan räkna med varandra. Carolina är en fin person. Alla har vi våra brister men som kompanjon är hon den bästa du kan ha. Det är en person du kan räkna med i vått och torrt.

Din kille skrev. Praktiskt taget vid 12 på natten. Och jag svarade att jag inte har gett honom någon anledning att ta sig friheter som han inte har rätt till, att han ska respektera mig för han känner inte mig. Och de omständigheter som han hade något med mig att göra var inte de bästa. Jag vill inte ha någon kontakt eller något att göra med den typen av person, som inte har visat sig vara motsatsen till det som jag har tänker om honom. Så sa jag till honom. Hur kan han få för sig att skicka mig meddelandet 12 på natten?

Den här killen. Christian. På videosamtal men hon svarar inte. Och sen säger hon, "hör du, du kan inte ringa när du känner för det". Och bla bla. Och då säger han: "ja jag skulle bara vilja låna 1000 kr och sen på måndag betalar jag tillbaka." 1000 kr. Snälla någon, vilken rövslickare! Så väl det märks att han inte har någon annan att låna pengar av.

Gfe betyder att man har erfarenhet som fästmö, så där som om du skulle vara en fästmö. 69, det vet du ju vad det är. French kiss är ju så där som kyss på munnen. Det andra är om han får komma i min mun, oralsex med kondom. Nej förlåt, oralsex utan kondom. (barn i bakgrunden)

Jag hade en fruktansvärd dag i dag. Eller jag gick ut på morgonen. De ringde mig i gryningen men jag klev inte upp för att jobba. Jag är så slö i gryningen. Och i morse ringde dom vid 10, och jag åkte till ett ställe, betalade Uber och sen dök inte typen upp. Eller jo, han svarade, men han sa att han bad så mycket om ursäkt, han hade inga pengar, att han bara hade 50 euro. Och då skickar jag hem honom och jag gick hem till mig. Jag förlorade pengarna dit och tillbaka. Sen på eftermiddagen så ringde en annan och sa att han ville vara med mig några timmar och bla bla bla. Och samma sak igen. Jag åkte till stället i taxi. Jag tänkte att han skulle betala den. Jag åkte ända dit. Typen dök upp och sedan försvann han som en galning. Han såg verkligen galen ut. Vilken skräck!

Här i stan finns det ju ett hostel som kostar 35-40 euro. Jag såg det igår, det är inte så illa. Alltså går och tittar på det idag igen får se. Egna rum men man delar kök med andra. Kök och jag vet inte vad mer. men det är inte illa för ett nödfall, ett par 3 dagar. Sen vet jag inte det där med det andra, om det är diskret eller inte diskret. Men om det inte är så många kunder så skulle det också kunna vara en lösning för några dagar.

När man delar kök och så med andra så är det inte ett dugg diskret, så var väldigt försiktig med det.

När du ringde mig sov jag. Och sen har jag inte kunnat ringa till dig. Men nåväl. Till sist blev det så att jag åker till Luxemburg, och nu har jag pratat med lite folk, så nu har vi biljetter och logi, så får vi se hur det blir med jobbet. Jag berättar för dig sen. Jag ger mig iväg med en kompis så åtminstone behöver jag inte åka ensam.

Jo det finns, sötnos, det finns här vid ingången vid dörren.

Där, innan man kommer in. Då lämnar du en nyckel där, den som är bara för att öppna, där under, och så kommer jag och hämtar den. Jag städar lägenheten och allt sånt, om det behövs.

Det fungerar inte att jobba så sent. Det är på helgerna det finns mest jobb. Under veckorna finns det inte så mycket, vännen. Försök att passa på nu för annars... annars kommer man inte att tjäna något eller få in pengar man investerat eller något. Du måste försöka göra det eller se vad som har hänt, OK? Jag ringer och ringer sen lång tid tillbaka, men jag vet ingenting.

Där nära finns det en pizzeria. Titta ut genom fönstret, precis mittemot. Mycket billigt och mycket bra, det finns allt möjligt, vad är det det heter... pannkaka. Men tjejerna har lämnat en del mat kvar i kylskåpet, det finns kaffe och saker som ni kan ha nytta av. Men precis mittemot er finns det en massa ställen man kan handla på. Och det är fortfarande öppet.

Jag tänker att du mår dåligt och att du inte berättar hela sanningen för mig. Och jag är faktiskt väldigt orolig för dig. Jag vill att du ska komma hem till mig och så löser vi sakerna här, allt som behöver lösas. Vi ska titta på det och hitta adekvata lösningar på all, för det ekonomiska, det känslomässiga och allt det andra, det där med flickan. Vi ska se hur vi kan lösa det längre fram. Jag vill att du lämnar det bakom dig och kommer hit och sen det där med lägenheten kollar vi upp med Bonnie(?) som kan kolla upp nån mäklare där. Och sen kan vi se vad ni har för plan med den här killen, om ni ska sälja den eller vad. Men lämna det där bakom dig, vännen.

Astrid! Han pasado 5 meses desde que yo le dije a Ciro que te prestara en confianza el dinero porque eras una amiga de confia..... Porque a mi esposo la pregunta le surgió espontánea cuántas veces he visto yo la cara de Astrid?..... Hace ya un mes desde que él empezó a cobrarte , que le escribiste que te encontrabas agobiada y estresada por tantas cosas entre ellas la muerte de tu madre, el no haber podido solucionar todavía el banco para devolverle las 25.000 y muchas otras excusas más. También hace dos semanas, no le respondes el teléfono a una persona que te presto el dinero con gran voluntad de que tu evolucionaras! Ahora bien, ya que tú eras una persona tan responsable y tan directa podría decirnos qué intenciones tienes si devolver el dinero o no y cuando?...

Astrid! Det har gått 5 månader sedan jag sa till Ciro att hon skulle låna ut pengarna till dig eftersom du är en kompis som går att lita på... Min man tog upp frågan spontant hur många gånger jag har sett Astrids ansikte?...

Det har redan gått en månad sedan han började ta betalt av dig, sedan du skrev att du kände dig utsliten och stressad för så många saker, bland annat din mammas död och att banken fortfarande inte har kunnat lösa det där för att ge tillbaka dig 25 000 och massa andra ursäkter. Också för två veckor sedan svarade du heller inte telefonen när en person ringde dig, som med stor vilja hade lånat ut pengar till dig för att du skulle utvecklas! Okej, eftersom du var en så ansvarsfull och rättfram person, kan du säga oss vad du har för avsikter? Om du har tänkt att betala tillbaka pengarna eller inte och när?
