Hej,

Jag har följande begäran om komplettering.

Det begärs att det hålls förhör med Monica Dahlström-Lannes (f.d. vålds- och sexualbrottsutredare vid polisen) telefon: 010-564 12 25. Hon ska höras om sina kontakter med Gullian och ärendet gällande Maximus samt hennes anmälan till IVO. Hon finns tillgänglig på telefon under eftermiddagen.

Det begärs att FUPen kompletteras med ljudfiler som markeras av Gullian i telefontömningen. Det är ett fåtal ljudfiler och dessa behöver inte transkriberas.

Det begärs slutligen att FUPen kompletteras med ytterligare fotografier jag skickar i ett separat mail.

Vänliga hälsningar

Uppgift

Bilder (78 filer) inkom per e-post från offentlig försvarare Nina Löwenhielm, se bilaga. Enligt erinran vill försvaret att fotodatum för bilderna framgår i förundersökningen.

Fil-information (EXIF-information) som t ex tidsstämplar kan man utläsa i en bilds "Egenskaper" . Denna information kan man manipulera genom att skriva in ett annat datum, det gäller även fotodatum. Jag var i kontakt med IT-forensiska sektionen som meddelade att för bilder som är bifogade i e-post kan man inte utläsa något mer om filen än det som står i filens egenskaper och bekräftar att bildegenskaperna (bland annat tidsstämplar) kan manipuleras.

Hej,

Bifogade foton av M vill vi tillföra utredningen. Det är viktigt att datumen då fotona är tagna framgår i förundersökningen. Det kommer ett ytterligare mail med fler foton.

Berättelse

Berätta om dina kontakter med Gullian?

Jag har en bakgrund som kriminalinspektör och sexualbrottsutredare och har utbildat poliser i förhörsteknik som gäller övergrepp mot barn samt utbildat tvärprofessionella människor runt om i hela Sverige. Jag har även skrivit en bok om övergrepp. Gullian har fått kontakt med mig genom andra som sagt att hon ska kontakta mig om hur utredningar går till med mera.

När var första gången ni fick kontakt?

Något år sedan, jag minns inte riktigt, 2018 tror jag.

Hur mycket kontakt har ni haft?

Någon gång i veckan, ibland flera gånger i veckan och ibland mer sällan. Hon hörde ju av sig när hon var så förtvivlad över vad hon skulle ta sig till för hon visste inte vad hon skulle göra.

Vad handlade kontakten om?

Det handlade om pojken. Gullian har skickat bilder och inspelningar med samtal med pojken men även med myndigheter till mig. Bilderna visade blåmärken på pojkens kropp, en del kanske är blåmärken från lek men det finns ju andra märken som kan vara orsakat av våld. Och bilderna på pojkens könsorgan stämmer överens med att det kan ha skett övergrepp.

Socialtjänsten har ju inte tagit henne på allvar och till och med polisanmält henne för att hon har sökt upp socialtjänsten för att få hjälp. När vårdnadsdomen kom var hon tvungen att lämna över pojken. Så kom nya skador på pojken efter umgänge med pappan. Det är så många som oberoende av varandra har gjort orosanmälningar, minst nio professionella, men ingen tar det på allvar. Under förundersökningen hörde man inte vittnen och pojken bodde

dessutom hos pappan som var misstänkt. Socialtjänsten höll samtal med pojken tillsammans med pappan. Det är ju så att om ett barn ska känna sig trygg och kunna berätta måste barnet skyddas och det har inte socialtjänsten gjort.

Det finns inspelningar där pojken är otroligt tydlig och klar i det han berättar och där pojken rättar socialtjänsten att det inte är hans mamma som har sagt det utan att han sagt att han har blivit slagen och utnyttjad.

När socialtjänsten skriver att det inte finns några misstankar om brott är det redan fyra personer som har gjort orosanmälningar till socialtjänsten rörande pojken. Det har senare tillkommit ytterligare personer som gjort orosanmälningar.

Har du hållit ett förhör med Maximus på telefon?

Nej, jag har pratat med honom men bara rent allmänt och bara korta stunder på telefon. Vi träffades en gång, kanske två, men då ville han inte prata överhuvudtaget, han var väldigt sluten, men syftet var inte att prata med honom.

Du har gjort en anmälan till IVO, berätta om det.

Jag har ju anmält socialtjänsten till IVO flera gånger och även polisanmält socialtjänsten för att de inte gör sitt jobb. Jag gjorde den första IVO-anmälan 2019-03-26. Östermalms sdf skriver 2018-04-26 i en utredning att det inte finns oro för våld. Vid denna tidpunkt fanns det redan orosanmälningar gjorda av fem professionella. IVO svarar på anmälan från 2019-03-26 det kan komma att bli en tillsyn men inte omedelbart. Den andra IVO-anmälan har jag inte fått svar på ännu.

Östermalms sdf polisanmäler Gullian 2017-11-24 för att hon visat bilder på pojkens könsorgan till utredaren som skulle utreda pojkens skydd.

Gullian mottog idag 2019-04-16 alla ljudfiler, filmer och bilder från de två mobiltömningarna, totalt ca 16 GB.

I telefonsamtal med advokat Rebecka Ask idag meddelade hon att Gullian inte kunde bestämma sig för vilka filer hon ville ha med i förundersökningen och de bestämde gemensamt att de inte kommer att återropa några ytterligare filer från mobiltömningarna.

Berättelse

Förhørsledarens frågor i kursiv stil.

Alexandra är dotter till Hans.

Berätta om din kännedom om din pappa Hans ideella arbete i organisationen "Glöm aldrig Pela och Fadime"

Det jag vet är att min pappa hjälper och stöttar utsatta kvinnor som har det kämpigt, han stöttar med samtal och de samtalen har jag också hört. Ibland när han varit uppe hos mig och hälsat på i Sundsvall har det ringt kvinnor som behövt prata med pappa. Då har han gått undan, suttit och pratat med dem. Någon gång satt han i soffan, jag satt och lyssnade. Han finns där om de vill prata. Han är väldigt bra att prata med. Han är stöttande och ger uppmuntrande ord. Har inte hört mer vad som sagts men han är som en stöttepelare till de här kvinnorna som inte har någon annan att prata med. Han har gett dem sin tid. Han är ju utbildad psykoterapeut och jobbat med det hela sitt liv. Han är väldigt lugn och klok. Just det här att han är så lugn och inte brusar upp, han är förstående. Min pappa är väldigt bra att prata med och tar tid att lyssna på de här kvinnorna.

Berätta om hur du uppfattar din pappa Hans som person

Min pappa... Sen min mamma dog har jag bara honom kvar. För mig är han en helt fantastisk människa, givmild, ställer alltid upp om det är någonting, om man mår dåligt, om det varit kärleksbekymmer eller något med min son, han ger alltid sin tid, är helt fantastisk att prata med, väldigt godhjärtad och snäll. Han börjar bli äldre nu, fyller 76 och börjar bli till åren.

Jag är väldigt mån om min pappa, fasar för den dagen han går bort, han är ett otroligt viktigt stöd för mig och är som min bror. Vi hör på telefon några gånger i veckan. Han är min förebild. Otroligt klok. Kan många språk, han är som ett uppslagsverk och kan allt. Vi reste till Grekland tillsammans förr förra sommaren, sommaren 2017. Pappa är härlig att umgås med och jag träffar honom alltid när jag är i Stockholm och pratar om livet. Han är helt fantastisk. Han är otroligt stöttande. Lyssnar. Det är den bilden jag sprider till mina vänner och de som har träffat honom tycker att han är en väldigt sympatisk människa. Tänker man på hans yrkesval som psykoterapeut så tycker han ju om att hjälpa människor.

Har din pappa Hans berättat för dig om sin vänskap med Gullian Yüksel?

Han har aldrig nämnt hennes namn men han har pratat om henne. Att han haft kontakt med en kvinna vars barn blivit sexuellt utnyttjad av sin pappa och att han känner väldigt starkt för familjen. Att han träffat de några gånger. Han är oerhört upprörd att pojken fått träffa sin pappa. Han har pratat mycket med kvinnan, träffat henne några gånger. Även hjälpt henne med pengar, men det är så han är som person. Det jag vet är att hon sedan gick under jorden, men inte vart och pappa visste inte det heller. Han har aldrig uppmanat henne att gå under jorden. Sen förstod han att hon gjort det men aldrig uppmanat till det. Han har funnits där och stöttat henne. Det är det jag vet, att han hjälpt henne med samtal och pratat med henne och med pengar, för hon har inte haft pengar som jag förstått. Han har pengamässigt och samtalsmässigt hjälpt henne. Men han har aldrig uppmanat henne att gå under jorden. Han känner väldigt mycket för den här familjen och framför allt för den lilla pojken. Det med barns rättigheter är något han brinner väldigt starkt för. Han skulle aldrig någonsin uppmana henne att försvinna under jorden. Sen vet jag inte hur mycket pengar han hjälpt till med men det är det jag vet, att han hjälpt till med pengar och samtal. Att han funnits där. Det som jag förstått med pappa och de kvinnor som ringt, är att de kvinnorna vetat att pappa funnits där om det skulle vara någonting, att han finns där och lyssnar på dem. Han visste inte om att hon skulle göra det, det vill säga försvinna under jorden.

Är det något mer han berättat för dig om den här kvinnan och pojken?

Det har nog lite med min pappas ålder att göra också. Han upprepar saker. Vet inte om det är med åldern men han kan ha glömt att berätta för mig. Han upprepar allting hela tiden. Han berättar exakt samma sak flera gånger om, det är inget nytt som sägs utan en upprepning om det som har hänt. Det som sagts ovan. Han har sagt att han hjälpt henne med samtal och med pengar för att hon ska köpa mat. Sen att mamman nu sitter häktad. Men det är verkligen ingenting nytt jag får höra och jag försöker ha tålamod med det för jag tror han glömmer bort det han berättar för mig men han är otroligt upprörd över det här. Skulle jag prata med pappa senare idag skulle han berätta om det här igen och då är det samma. Jag låter honom bara prata.

Är det något mer du vill berätta för mig?

Självklart tycker jag inte att min pappa gjort någonting fel utan han har hjälpt henne som den medmänniska han är. Jag är lite lika som pappa och hjälper också i den mån jag kan men jag skulle heller aldrig någonsin råda någon att göra något kriminellt vilket pappa aldrig heller skulle göra, det finns ingen ärligare människa än pappa. Det han har gjort har han gjort med gott uppsåt och han skulle aldrig råda någon till att begå en kriminell handling. Pappa är så ärlig och skulle aldrig göra något kriminellt eller uppmana någon annan till det.

Uppläst och godkänt.
