And about the salary, its cheaper for everyone if we take most of it off the books and just some on the books. In Sweden we have about 32% tax and above that 32 or 33% social and employer fees. And last thing, if we as a Swedish company don't chase our clients especially the local ones the tax office are gonna wonder why, cause normally companies want the money the are owed. And if they see we don't do anything about the unpaid invoices they are gonna think we control all those companies. So alaa needs to pay the 6000 euro they owe and if we loose about 1500 euro or whatever will be left in the unitek account after all fees and stuff is paid so be it. It sucks but we cant move around money and buy stuff with the audit going on and the liquidation around the corner..**	2020-04-15 08:50:49(UTC+0)

I can see 3 solutions, Sonora buys the van (the van needs to be valued in this case so cant sell if for less then its worth), Mitchell gets employeed by Transco (we cant have an non employee driving around in a Transco van in Denmark) or he comes back with the van. Im not trying to be a dick about it but you know that Transco is on paper jessicas company and I signed for the van so we both will get in trouble about it eventually. Say for instant he gets in an accident in Denmark, who drove the van then? or if he gets a parking ticket.. transco has 2 employees, me and jessica, the tax office isnt stupid.. even if i find a driver who can come and start working for transco, which van will that person use? the caddy works for small deliveries otherwise we need the transporter that mitu has in denmark**	2020-08-18 06:41:15(UTC+0)

And if the odometer say we have driven 10 000 kilometers we need to prove where those 10 000 kilometers has been for.. same with gas, from which card have we filled up the van, we can show receipts for when its filled here. Its not legal in Sweden to use a company car for personal use if you don't pay benefit tax for the car.**	2020-08-18 06:50:07(UTC+0)

Im not just gonna bounce money through transco. I know that they done shipments for us on paper. But i havent seen one proof of those transports. How do you think the tax office is gonna react to this. If i cant answer properly ist my ass on the line. Same with the other transport company NEUFCAN, i still havent got any proof of them ever being in sweden or transporting our stock and i were suppose to get ferry tickets and everything with the invoices but nothing yet. That combined with conserwis saying they havent seen our stock, that maybe if bullshit but see it from my point of view. Magnifix is calling with some questions and i have no answer. What if the tax office knocks on the door tomorrow.. i have no idea of what to tell them. If you have a legit company, would you transfer 20k euro without even a email? How have transco spoken to sigma before? Who on sigma has transco spoken to? I love working for you guys and you know that but Im not gonna risk tax fraud/invoice fraud because of sloppiness. I know that what we do arent excactly legit but then we have had everything on paper. Friday i got an invoice from neufcan or if you can call it an invoice, its just a word document with numbers on it. The headline even says transcom AB, not even transco did they get right, no where in the email does it say neufcan, except one place on the word inovice, you woudnt have paid it if it was your company. Its your company bro and you do what you want with it but if this**	2020-11-23 10:39:46(UTC+0)

It was extremely important that we hires a second driver for the Denmark trips but not one trip has been made to Denmark. In august when m2 moved to Denmark I said we can't have a van stationed in Denmark when it belongs to transco and you said not to worry m2 or someone in Denmark will drive all the time but since then 3 trips has been made. One van has been down there since august. M2 is the reason billy and Eddie got stopped and had the van searches by the customs and last week m2 came and picked up the second van and are gonna drive down stock that hasn't been released yet. It's not a kindergarden we run. It's me and Jess on the board and it's our asses on the line if something happens. Transco vans should only be driven by transco personal especially since billy got asked by custom why they drive a Swedish licensed van when they aren't working at that company. If he gets pulled over again what do he say then? And if the van smells weed a second time they will get a search warrant for transco. Both vans need to be here and not in Denmark. And secondly, Sweden closed the border to Denmark yesterday for all trips except work trips, so the changes of him being pulled over by the bridge is extremely high**	2020-12-22 08:45:50(UTC+0)

The landlord is calling almost everyday and the guy who made the sign is doing the same. The 1k I took in salary covered my rent that's it. So I can't pay my own bills and I don't get an answer on when money is coming. Either from clients or cash. So basically my private bills will go to a credit company. When I can't pay my bills it's becoming a problem for me. If I don't atleaat get an proper answer on when I get my salary I can't stay at transco. I hope you understand what I mean	2021-01-29 07:55:20(UTC+0)

Hey!

We have no documents.

The data was reported in October 2019.

Thankful if you can produce evidence of what goods and services you have purchased from Hungary. n.

Hi Patrick & Cao,

We have checked, and there were 12 pallets which left the warehouse that day.
Our freight forwarder sent us the wrong invoice but replaced it with the correct one later on.

We have attached the correct invoice.
Please ignore the previously sent invoice # 090520.

What is an Account Adjustment?

If you are on a water meter you will receive your bill every 6 months, or annually if you are not on a water meter. You may receive an interim bill or an adjustment to your charges in between your normal bills. Common examples of when you may see this could be if you have moved home, changed tariff or we have amended an estimated bill. Details of the Account Adjustment will always be sent with the bill at the time it was produced.

Vad innehåller registerutdraget?

Registerutdraget visar bl. a. information om gällande registreringar avseende:

- Skatteform (t. ex. godkänd för F-skatt)
- Momsregistrering
- Arbetsgivarregistrering

Det visar inte registreringar avseende punktskatt, kassaregister eller deklarationsombud.

Utdraget visar uppgifter som är aktuella vid den tidpunkt då det skrivs ut. Registreringar eller ändringar som ska börja gälla längre fram i tiden visas inte.

Utdraget gäller tillsvidare och ett nytt skickas inte ut förrän någon registrering tillkommer, ändras eller avslutas. Man kan när som helst beställa ett nytt registerutdrag genom Beställningstjänsten som finns på skatteverket.se eller genom att ringa Skatteverkets servicetelefon, 020-567 000 direktval 6806. Utdraget är gratis.

Ändring av registrerade uppgifter som visas på utdraget

Om en uppgift som ligger till grund för registreringen ändras, ska ni anmäla det till Skatteverket inom två veckor efter ändringen sker. Behörig företrädare med e-legitimation kan enkelt göra en ändrings- eller avregistreringsanmälan via Skatteverkets e-tjänst på verksamt.se. Det går också att använda blanketten Ändringsanmälan (SKV 4639) som finns att ladda ner på skatteverket.se. Det kostar inget att ändra eller avsluta registrerade uppgifter hos Skatteverket.

Lämna moms- och arbetsgivardeklaration elektroniskt

Det är enkelt och smidigt att lämna moms- och arbetsgivardeklaration elektroniskt via e-tjänsten ”Moms- och arbetsgivardeklaration”. I e-tjänsten finns automatiska summeringskontroller och dessutom får man en kvittens direkt om att deklarationen är inskickad. Många gånger behövs ingen särskild anmälan för att börja deklarera elektroniskt. Läs mer om e-tjänsten ”Moms- och arbetsgivardeklarationer” på skatteverket.se.

Information vid ändring av redovisningsperiod för moms

Efter frivillig begäran i samband med registrering av gällande redovisningsperiod ska momsdeklarationen lämnas för varje kalenderkvartal den 12 i andra månaden efter redovisningsperiodens utgång. Vid sådant val måste redovisning ske på det sättet för minst tjugofyra på varandra följande kalendermånader innan det går att ändra. Ändring till en längre redovisningsperiod (helt beskattningsår) kan ske tidigare om så kallade särskilda skäl finns. Minskat beskattningsunderlag eller ”praktiska skäl” anses normalt inte som särskilda skäl.

Att ändra till en kortare redovisningsperiod (kalendermånad) kan som regel ske utan fördröjning så länge som ändringen sker fr.o.m. första dagen i ett kalenderkvartal dock tidigast kvartalet innan beslutsdagen. Mer information finns bl.a. i broschyren Företagsregistrering (SKV 418) som finns på skatteverket.se.

Ändring av postadress

Ändrar ni postadress måste ni anmäla det till Bolagsverket. Det räcker alltså inte att bara ändra adressen hos Skatteverket eller hos adressandring.se. Anmäl ny adress i Bolagsverkets e-tjänst på verksamt.se. Det kostar inget att ändra postadress hos Bolagsverket. Ändring av övriga adresser som framgår av detta registerutdrag, se ”Ändring av uppgifter som visas på utdraget” som finns ovan.

Vill ni slippa pappersutskick?

Om ni skaffar en säker digital brevlåda kan ni få post från Skatteverket och andra myndigheter digitalt. Posten samlas i en säker digital brevlåda och behörig person öppnar och läser den enkelt med hjälp av en e-legitimation. Tjänsten är gratis och ni kan läsa er post på datorn, läsplattan och på mobilen. Anmäl er på minameddelanden.se.

Ändring av ”Beslut om debiterad preliminärskatt”

Om er verksamhets överskott ändras ska ni skicka in en preliminär inkomstdeklaration. Detsamma gäller om ni avslutar verksamheten. Använd med fördel e-tjänsten Preliminär inkomstdeklaration, som finns på skatteverket.se. Ni kan också använda blanketten Preliminär inkomstdeklaration 2 (SKV 4313). Blanketten finns att ladda ner på skatteverket.se.
