46704488413@s.whatsapp.net Håkan Bråkan		Vi ska ju lämna de här sjunkande skeppet så frågan e om vi behöver flytta borgenär. För vi gör bokföringen sen november då bolaget skrevs över 25e oktober. Dock lite grisigt mot Marianne eftersom Hon står som borgenär för Artur lär ju inte betala för säkerhetssystem efter vi bytt bolag	2020-02-03 09:34:26(UTC+1)

46704488413@s.whatsapp.net Håkan Bråkan		exakt.. håller med.. så frågan e hur vi gör. för vi behöver egentligem inte papprena han har då e e bokslutet från när han hade bolaget o eftersom vi startar nytt..	2020-02-03 09:36:37(UTC+1)	
46704488413@s.whatsapp.net Håkan Bråkan		vi gör rätt för oss sen november fram till nu sen resten kan vi egentligen skita i	2020-02-03 09:36:54(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	40764378257@s.whatsapp.net +40 764 378 257	Hi. I've had an hour meeting now with the accountant. The financial statements will now be submitted in December and she brought up some points with me. I will compile everything and send it to you in a word document but it is one thing that is urgent. Every year, the company pays a corporation tax based on how much profit the company makes. The tax is 21.4% of the profit and it must be paid to the tax office. When they calculate the profit, they count all the invoices we have sent to customers, regardless of whether the customer has paid the invoice or not, that amount is seen as a PROFIT and must be taxed. So important now is that ALL customers who have not paid their invoices before July 1 MUST pay within 2 days. HOT has 7 invoices from June The sum is SEK 49,911. I need to know today if they can pay within two days or not, said the auditor. If they dont pay we still need to pay the tas. So it is important that they pay these 7 invoices. Everythin else i will send you tomorrow and after you read it we can have a phone meeting? i have som things i need to talk to eric about also.	2020-12-09 15:05:49(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	40764378257@s.whatsapp.net +40 764 378 257	Meeting with auditor - This week we have to take a loan from the bank to pay all our bills unless foreign customers pay within the next few days. - TODAY, we must send Swedish customers to debt companies. Auditor's words. If we do not follow these Swedish laws, the company will begin to be examined. I can not be the owner of a company that does not follow rules, I am the one who gets into trouble. So if I am to continue to be here, which I obviously want, this company MUST start to be run better. Customers have to pay and if they do not pay, I have to do what a normal Swedish company would do, not just wait and wait until the customer has over a million in debt to us. I will send you a list of invoices that we need to pay THIS week so you see how much we need from our clients. I have a meeting at 1 but i will sit down tonight and send you the list. or du you just want the total amount?	2021-01-11 11:41:12(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	40764378257@s.whatsapp.net +40 764 378 257	Hi Jessica, As we have not received data for November and onwards, we cannot help assess the company's earnings development. Nor have we been able to submit VAT and employer declarations for November and December. It is important that the board of the company discovers and rectifies a capital shortage situation. After our meeting on 11/1, we got the impression that it may be that the company is short of capital. In that situation, the board should draw up a control balance sheet to avoid personal liability. The perception is strengthened by accounts receivable which show just over 1.6 million in overdue accounts receivable, which in your opinion would be difficult to collect. As far as we can see, sales in the company have dropped drastically, it can be read through the invoice history. If the control balance sheet shows that the company's equity is less than half of the registered share capital, the board must convene an extraordinary general meeting. A common way of resolving a capital shortage situation is for shareholders to make a shareholder contribution.	2021-01-26 09:53:34(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	40764378257@s.whatsapp.net +40 764 378 257	I guess as soon as I'm gone you will change bank. It is important to keep in mind that before you do so, the share capital must be in the account we have now, then transferred to the new account you open. I will, as I said, write over everything and remove myself from the bank and the company, but first I want my salary from last month, the share capital must be in the account and our auditor must be paid for the work he has done, otherwise he reports the company to the tax office. The new girl probably does not want such a start	2021-01-29 10:58:22(UTC+1)	
46705710237@s.whatsapp.net Jessica Transco	40764378257@s.whatsapp.net +40 764 378 257	If the share capital of SEK 56,000 is not in the company account, she will be personally liable to pay. Just like when we bought transco, I received SEK 56,000 from marco to invest in the company. We have now emptied the account to be able to pay salaries and bills. You can do that as long as you get the money back through customers or investments.	2021-01-29 10:58:41(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	447405846307@s.whatsapp.net Eric	Yes. How fast do you need them. I can only download one at a time so i have right now 1089 invoices so it will take time. BUT all the invoices is sent to clients by email so it would go faster if i just saved them from the email. But i will not have them all today. And im doing all invoices now so i want them to be done first. Can i start with this on monday and hopefully you will have them the same day. I can sit a few hours maybe during the weekend to when the kids go to sleep.	2020-11-12 14:01:59(UTC+1)	
447405846307@s.whatsapp.net Eric		No Problem at all. Do the invoices you are doing now. then download and send me month by month.	2020-11-12 14:11:45(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	447405846307@s.whatsapp.net Eric	Hi. In the invoicing program, you can only have fixed prices for all items. To our foreign customers, it is the prices that are in the excel sheet and to the Swedish ones we have these prices. Loading 65 kr Wrapping 30 kr Documentation 545 kr Delivery SEK 6,540 (unless the excel sheet shows another amount then I change to today's exchange rate) Collection 50 kr Incoming Shipment Offload 70 kr Inspection Check of Damage 8 kr Inspection Report 13 kr IMEI scan 5 kr Storage / week 70 kr On-hold Allocation and / or Release DKK 580 The prices in the program do not change after today's course, they are always the same. If you want other prices, feel free to write so we can go in and change them.	2020-11-16 09:50:21(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	447405846307@s.whatsapp.net Eric	I do not know if it works. You need to install the program on your computer. There is no login but you are connected via a file. I think it happened via bank id in the beginning. And it is a swedish program so i dont think they have it in english. You can only have 3 people in the program and that is right now Me myself, Oscar the accountant and then his boss ho is the auditor. I can ask Oscar if another person can have access to the program. The only thing I do is to create invoices in the program and mark when invoices are paid. The accounting is done by the accounting assistant	2020-11-16 09:59:29(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	447405846307@s.whatsapp.net Eric	Just want to mention that our account with revolut is paused because they need a signature and date that certifies that I am the owner of the company. I can pick up the signature from the notery on Thursday. Until then, we can not use the company card. So every time we have to refuel or buy something into the company, I or Håkan put it out privately and then we take that money from the margin bank. We then write EGET UTLÄGG. So you know what that means in the statement from marginalen bank	2021-01-05 13:21:35(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	447405846307@s.whatsapp.net Eric	Hi. Here are the sums on the invoice I will create on the 24,400 euros that transco received at the end of November. I Need a certificate that these goods will be purchased by WLD Trading Ltd. Anything you can help me with? Industrial scale - Quantity 1, Unit price 2000, Total 2000 euro. Electric pallet lifter - Quantity 1, Unit price 13,000, Total 13,000 euros. Racking - Quantity 14, Unit price 510, Total 7140 euro. Electric pallet lifter Small - Quantity 1, Unit price 2250, Total 2250 Total invoice 24,390 Euro The thing is that the invoice is created now and they paid for these things at the end of November and the beginning of December, a total of 8 payments have been made. Can you create some form of order confirmation or delivery note? The first payment was made on November 20, so some day before it needs to have been created.	2021-01-14 10:09:39(UTC+1)

46704488413@s.whatsapp.net Håkan Bråkan		I've been looking like crazy, most warehouses in Stockholm are either to big, to expensive or looks like crack houses.. since we want a warehouse like the one we that denied us. It's not easy, the good ones are of course not available for rent..	2020-02-18 16:52:47(UTC+1)	
46739562624@s.whatsapp.net Peter		Is the board changed? - Bank accounts needs to be open and money needs te be put in there properly. - Webpage coming, should set up all that along with e-mails etc because banks will look into that when opening accounts. - Budget you'll need - Businessplan with structure and visions for the future.	2020-02-18 16:53:02(UTC+1)

46704488413@s.whatsapp.net Håkan Bråkan		That one wasn't expensive, well it was manageable. Think it was 40 plus vat something. 46704488413@s.whatsapp.net Håkan Bråkan		I'm gonna think out a solution tonight. Or at least try to find a solution.. but i think we need to 1. either go up in rent 2. Concentrate on smaller "private" property companies 3. Lower our expectations 4. Find an office that we can take a part of and make to an warehouse	2020-02-18 17:01:30(UTC+1)

46739562624@s.whatsapp.net Peter		Apparently shareholders will be affected the new accountant says if you cant come in with paperwork for all the transactions on the accounts. This is because of all the sloppy bookkeeping from before, and who ever takes out cash on a ATM with a company card nowadays? looks like that from what i saw in the mail from accountant. Jessica translate that mail on google translate and show them to the guys please. We will not have Jessica own the shares if it can become a problem, which i doubt but we'll find out in what way. If she can, then in that case we will sign them either to Arturs or back to Marianne, to be honest i don't care but im not having anyone getting into trouble because of other ppls doing. The transactions that cant be proved with paperwork has to go under private costs and will affect shareholders accountant tells us.	2020-02-21 09:29:05(UTC+1)

46704488413@s.whatsapp.net Håkan Bråkan		according to the accountant when you buy a company, which on papper it looks like Jessica did even if we say she didnt, she is the share holder you buy all obligations/problems/issues that comes with the company even the stuff before your time. thats why its VERY important that before signing any aggrement you should have all history and transactions of the company. we will say that Jessica isnt owner and point to the aggrement which artur signed with marianne.. but we need every single paper regarding all stock in and out. And someone needs to answer the questions that was before the fifth of december when i started because i cant do it without further questions since i wasnt here. and artur called me yesterday and continuied with his threats, he said if i dont remove him from the board today (read yesterday) he will remove himself tomorrow (read today) and create some major problems for us, dont know what he means though	2020-02-21 09:42:37(UTC+1)	
46704488413@s.whatsapp.net Håkan Bråkan		this matter can, im not saying it will but it can end with a hefty tax/vat fine depending on how much papers it missing in the end and i dont want that shit in my name nor Jessica. as of now there is about 15 000 euro in transactions we cant prove or show receipts for in the old Swedbank account, plus the money artur took. and then we have all the stuff kent bought without delcare in july or something, he bought the stuff but if he cant send documents regarding it we will take the fall for it according to the accountant and that is about 25 000 euro	2020-02-21 09:54:00(UTC+1)	
46739562624@s.whatsapp.net Peter		I highly see that you'll be held responsible for that other than the actual person who bought or did the stuff. Reckless as it may be but you cant be held privately responsible for it. Either way we have to fix this for the best of our interests here. So let me know what i can do to help and lets work as a team and communicate here so all can see whats going on please.	2020-02-21 09:57:12(UTC+1)

46704488413@s.whatsapp.net Håkan Bråkan		worst case scenario, if this goes further and if artur is questioned his is gonna sing like a canarie.. and of course its his word against ours but im guessing after that we will have a lot of questions that we cant answer regarding whos really in charge..	2020-02-21 10:13:08(UTC+1)

46704488413@s.whatsapp.net Håkan Bråkan		problem is with the Swedish tax office is that you are guilty until you can prove your innocents.. that beeing said they are a pain in the ass and will not stop until every SEK is accounted for. i hope im looking into this too deep which we will find out sooner or later	2020-02-21 10:17:15(UTC+1)	
46704488413@s.whatsapp.net Håkan Bråkan		i think layla needs to know about this since a lot of questions should be answered by her but that is a thing you guys can decide..	2020-02-21 10:30:24(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	421910540093@s.whatsapp.net Lala Reborn	kent is gonna send us the bookkeeping so I can send it to the accountant. If it is not submitted to the tax office before March 10, it is a fine of 1000 euros. We have been complaining to kent for 2 months about the bookkeeping but he has refused to give us the papers. But now we have persuaded him so we should have them in a few days.	2020-02-24 10:58:44(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	447385268170@s.whatsapp.net Jackie Chan	Hj. I've had an hour meeting now with the accountant. The financial statements will now be submitted in December and she brought up some points with me. I will compile everything and send it to you, lala and eric in a word document but it is one thing that is urgent. Every year, the company pays a corporation tax based on how much profit the company makes. The tax is 21.4% of the profit and it must be paid to the tax office. When they calculate the profit, they count all the invoices we have sent to customers, regardless of whether the customer has paid the invoice or not, that amount is seen as a PROFIT and must be taxed. So important now is that ALL customers who have not paid their invoices before July 1 MUST pay within 2 days. HOT has 7 invoices from June The sum is SEK 49,911. I need to know today if they can pay within two days or not, said the auditor. If they dont pay we still need to pay the tas. So it is important that they pay these 7 invoices. ALSO very important to get the contracts today. ☺	2020-12-09 15:08:59(UTC+1)	
447385268170@s.whatsapp.net Jackie Chan		ok	2020-12-09 15:10:52(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	447385268170@s.whatsapp.net Jackie Chan	We need to follow the Swedish law and if you are gonna to transfers to our account you need to do it the right way. I'm the one who will get in trouble for this. The taxes needs to be payed today and the accountant can't do the taxes if he don't have all the invoices for the payment we got. If we are one or two days late with the payment to the taxoffice they will contact me and start looking in to the company. Just like with Unitek. So this is important	2021-01-11 08:41:22(UTC+1)

46705710237@s.whatsapp.net Jessica Transco	447385268170@s.whatsapp.net Jackie Chan	Lala told me to send to you instead. Meeting with auditor - This week we have to take a loan from the bank to pay all our bills unless foreign customers pay within the next few days. - TODAY, we must send Swedish customers to debt companies. Auditor's words. If we do not follow these Swedish laws, the company will begin to be examined. I can not be the owner of a company that does not follow rules, I am the one who gets into trouble. So if I am to continue to be here, which I obviously want, this company MUST start to be run better. Customers have to pay and if they do not pay, I have to do what a normal Swedish company would do, not just wait and wait until the customer has over a million in debt to us. I will send you a list of invoices that we need to pay THIS week so you see how much we need from our clients. I have a meeting at 1 but i will sit down tonight and send you the list. or do you just want the total amount?	2021-01-11 16:07:11(UTC+1)

46722534402@s.whatsapp.net Jessica Malmros	34610051176@s.whatsapp.net Oliver	Hi. I just got an email from out accountant. Call marco and he will explain. The company we bought this company from did wrong. Hi Jessica, We have now got everything we need and you do not need to continue chasing the Company Specialist. The previous shareholders have emptied the bank account of SEK 56,282 instead of paying the amount directly to them. You must absolutely not empty your share capital. The company has thus been in default since January 28. If one falls below half of the share capital (in this case the whole), one is obliged to draw up a control balance sheet to evaluate whether the company should go bankrupt. What we need to do now to quickly correct this and avoid major remarks is that you: Alternative 1 - You pay SEK 56 282 privately to Transco AB. The money must be at the bank LAST 29 June. Option 2 - You pick out a net salary corresponding to SEK 56,282 corresponding to about SEK 95,000 gross, which we do not pay to you but to the company. Come back as soon as possible with information how you want to do.	2020-06-23 10:06:37(UTC+0)	
46722534402@s.whatsapp.net Jessica Malmros	34610051176@s.whatsapp.net Oliver	but marco will explain.	2020-06-23 10:07:00(UTC+0)

46736311119@s.whatsapp.net et +46 73 631 11 19		Update today: Hakan has been trying to locate a new site which is proving difficult and we been discussing the sale of the trucks but not getting the right offers however shall keep on trying until we secure something and sell vans for a decent enough price. However Mercedes has a aircon issue and the other is having slight gearbox issue again. None the less we shall sell both for as much as we can get and will confirm with yourselves before agreeing to sell.	2020-01-30 14:07:22(UTC+0)
