Vad sa mr k om henne  
20 feb 2020 19:48

Den 3 februari fick ni Inkomstdeklaration 2 skickad till er digitala brevlåda. Dessvärre bifogades fel utgåva av deklaraionsblanketten. Här kommer den korrekta blanketten.

Den enda skillnaden är texten Uppräknat belopp vid återföring av periodiseringsfond, som hör till ruta 4.6d i bilagan INK25 (Skattemässiga justeringar).

Vad behöver ni göra?  
Ni behöver lämna in bilaga INK25 igen om ni redan har skrivit ut och lämnat in den felaktiga blanketten med belopp i ruta 4.6d. Vi beklagar det besvär detta orsakar er.

Här ni inte redovisat något belopp i ruta 4.6d behöver ni inte göra någonting.

I övrigt gäller samma information som tidigare.

Nu har e-tjänsten öppnat för att deklarerat. Deklarera digitalt senast 2020-09-03. Tecknar ni firmen i förening måste ni anmäla en av firmatecknarna som ombud.

Lämna huvudblanketten i e-tjänsten Inkomstdeklaration 2 och bilagorna i e-tjänsten Bilagor till Inkomstdeklaration 2

## Handräckningsfrågor

Hej Patrick!

Du har vid vårt telefonsamtal 2020-11-06 efterfrågat information om inkomna svar på Skatteverkets handräckningsförfrågningar till beskattningsmyndigheter i andra EU-länder så att du får möjlighet att bemöta dessa. Jag har vid detta telefonsamtal nämnt att vissa svar som de utländska skattemyndigheterna lämnat har visat på stora oklarheter kring hur Magnifix AB:s leveranser av mobiltelefoner från Sverige till Lettland resp Polen gått till.

Nedan får du en kort sammanfattning av inkomna svar på våra handräckningsfrågor.

Magnifix AB har under tiden februari – april 2020 redovisat försäljning till det litauiska bolaget UAB **'Krydas'** och under tiden april – juni redovisat försäljning till det franska bolaget **'House of Technology'**.

När det gäller leveranserna av fakturerade mobiltelefoner till **'Krydas'** har dessa enligt redovisade frakthandlingar levererats till speditjonsbolaget SIA **'Neroteh'** i Lettland. Transporterna har utförts av SIA **'Marteh Trans'** och **'Kreiss International'**.

När det gäller redovisad försäljning till **'House of Technology'** har dessa leveranser enligt redovisade frakthandlingar skett till speditjonsbolaget **Conserwis Sp.zo.o.** i Polen. Transporterna till Conserwis har till övervägande del utförts av **'Kreiss International'**.

Vad gäller **Krydas** har den litauiska skattemyndigheten meddelat att detta bolag inte redovisat dessa förvärv och att bolaget inte haft någon ekonomisk verksamhet, inte besvarat några förfrågningar och att bolaget avregistrerats från moms.

Skatteverket har i handräckningsfråga till skattemyndigheten i Frankrike även begärt in uppgifter avseende **House of Technology**. Svar har ännu inte kommit.

Beskattningsmyndigheten i Lettland har avseende handräckningsförfrågan när det gäller **Neroteh** uppgett att **Neroteh** inte besvarat beskattningsmyndighetens förfrågan. **Neroteh** även ändrat styrelse.

Beskattningsmyndigheten i Lettland har i avsaknad av svar från **Neroteh** då istället kontaktat transportbolaget **Kreiss** som varit det transportbolag som levererat telefonerna till **Nero**. **Kreiss** har då uppgett att de fordon, (dragbil och trailer) som angetts på CMR-dokument inte utfört angivna leveranser utan befunnit sig i andra länder vid detta datum.

När det gäller denna uppgift har Patrick Isik inkommit med färjebiljett som pekar på att fordonen varit i Sverige vid denna tidpunkt.

Skatteverket har därför gjort en ny förfrågan till beskattningsmyndigheten i Lettland där Kreiss ombetts redogöra för utförda transporter från Magnific AB till Neroteh enligt upprättade CMR-dokument.

Skatteverket har även begärt uppgifter från beskattningsmyndigheten i Lettland angående de transporter som Marteh enligt redovisade CMR-dokument skall ha utfört. Marteh har uppgett för den lettiska beskattningsmyndigheten att de inte utfört dessa transporter.

Skatteverket har även skickat en handräkningsfråga till Polen angående Conserwis. Conserwis har i svar uppgett att de inte utför de transporter som anges i angivna CMR-dokument.

Med anledning av vad som redogjorts för ovan får du möjlighet att bemöta dessa uppgifter. I det fall du har några undringar eller funderingar så är du välkommen att kontakta undertecknad.

Hälsningar

Mikael Dotevall

Hi Cao,

I have got a letter from tax office in Sweden with below translated to english:

”

With regard to reported sales to 'House of Technology', these deliveries have, according to reported shipping documents, been made to the forwarding company Conserwis Sp.zo.o. in Poland. The transports to Conserwis have largely been carried out by 'Kreiss International'.

The Swedish Tax Agency has also requested information regarding the House of Technology from the tax authority in France. No answer has yet been received.

The Swedish Tax Agency has also sent a helping hand to Poland regarding Conserwis. Conserwis has stated in its reply that they do not carry out the transports specified in the specified CMR documents.

Please provide me proof and documentation that shows the opposite.

Hi Ignas,

I understand, please try to push for the transport paperwork from the CMR's that I emailed you last week. What ever you have at this point is important for me, ferry tickets, invoices, etc. You don't need to wait to collect all paperwork, you can send what you have in parts.

Kindest regards  
 Patrick

Dear Patrick

Further to your email concerning the declaration of our VAT submissions, we find these baseless assumptions by your tax office to be totally absurd.  
For your information please note that we have submitted all suppliers invoices including Magnifix's invoices to the ISAF registers of the Lithuanian state inspectorate.

In this regard please find attached the proof of submission to our tax office, and registry of incoming invoices.

If you need any further assistance, Please let us know.

Hi Ignas,

I have got a letter from tax office in Sweden with below translated to english:

"

As regards Krydas, the Lithuanian tax authority has stated that this company has not declared these transactions between (Magnifix AB and Krydas) and that the company has not had any financial activities, has not responded to any inquiries and that the company has been deregistered from VAT.

"

Please provide me with documentation that shows what you have declared to tax authorities in Lithuania.

Please send me answer and documents as soon as possible.

## Letter of Agreement

UAB "Krydas" and Magnifix AB have in this agreement decided that Magnifix AB will charge VAT for the following invoices.

Invoice nr: 2259 Amount: 335600€  
Invoice nr: 2260 Amount: 294120€  
Invoice nr: 2261 Amount: 275850€  
Invoice nr: 2265 Amount: 293650€  
Invoice nr: 2266 Amount: 297845€  
Invoice nr: 2275 Amount: 291175€

Total amount: 1.788.240€ In SEK: 19.628.437,50 SEK

Average currency rate: 10,9764

19628437,50 + Swedish VAT (25%) 4.907.109 SEK = 447060€

After discussion with the Swedish tax authorities most likely I will have to pay a fee on top of the VAT with 25% but this we can clear after I get the fee.

Now I need you to pay : 447060€  
To our bank account:  
IBAN SE45 8000 0832 7933 7676 0033  
BIC SWEDSESS

The reason for this agreement is that the customer UAB "Krydas" had lost its VAT numbers during a period when we had open orders, but the gap between order and invoice had UAB "Krydas" lost its VAT numbers. Magnifix AB therefore wants to secure itself until the Swedish tax authorities make a decision, to obtain the most probable damage that will be required of Magnifix AB from the Swedish tax authorities. When a decision has been made by the Swedish tax authority, we will compare the difference in the amount paid and regulate any difference.
