But also depends on others if they have stock. If theres not big stocks in warehouses usual then theyll pay. If others give them credit theyll only pay if you're cheaper |  | WhatsApp | 2019-06-14 | 14-6-2019 20:39:08(UTC+2) |  |  |  |  |  |                         |  |                                                                                                                                                                                                                           |
